Message from the Principal:

May 15, 2018

Dear Parents,

We are providing you with a copy of our School Profile Report for the 2017 school year.

This profile presents the performance of both Regular Education Students-full academic Year and All students-Full Academic Year on all subject areas tested at every grade level. For high school there are also results for academic performance outside of the school, such as in Career Tech and/or college. Finally the District Profile presents information on high school course offerings plus a breakdown on how taxpayer money is being spent by the district.

You can look over the information provided. Take notes of areas where our school excels, and acknowledge the work of administration, staff, teachers, and students. Take note of areas where our school needs improvement, and work with administration, staff, teacher, and students to find solutions.

We need you involved and to become a partner with education! Here is the link to their websites so you can have access to almost twenty years' worth of rich school profile information. www.EdProfiles.info or www.SchoolReportCrd.org

Sincerely,

Mrs. Renbarger

Mr. Pennington
