October 26, 2021

Dear Cros-Lex Families:

It is with tremendous sadness that I am sharing with you that Croswell-Lexington Middle School Teacher Mrs. Debbie Martin suddenly passed away due to a medical emergency. No words can express how sad this tragic event has impacted our Cros-Lex family and community.

The District crisis team, which consists of school counselors, social workers, and local clergy, will be in all buildings to provide students and staff additional counseling support, and as long as necessary.

We will keep you updated as we receive information from the family.

We ask that you keep the Martin family, close friends, and our Cros-Lex Family in your prayers during this extremely difficult time.

Thank you,

Daniel Gilbertson  
Superintendent

Good Morning Cros-Lex Staff:

We received confidential information on Sunday that Mrs. Debbie Martin, Middle School Math Teacher was hospitalized with a serious medical condition. Since that information was shared yesterday, we continue to hope and pray for Debbie and her family during this difficult time.

We will keep you updated as we receive more information from the family.

Sincerely,

Daniel Gilbertson
