## ARTICLE 15 ASSOCIATION RIGHTS

15.2 New Employee Orientation (NEO): Chapter President or designee will be invited to be present at the NEO on a mutually agreed location/time with CSEA and the District. purpose of attending the meeting. During this meeting, CSEA shall be permitted to communicate directly with newly hired employees in the bargaining unit for up to 30 minutes of the newly hired employee's paid time. Impact on other Funds:

Provide a brief narrative of the proposed change in compensation, including
A. percentage change(s), effective date(s), and comments and explanations as necessary:
2023-23 salary schedule shall be increased by 6.0\% effective July 1, 2021.
Health \& welfare cap increased by $\$ 1,900$ to $\$ 13,900$
B.
Proposed Negotiated Changes in Non-Compensation Items (class size adjustments, staff development days, teacher prep time, etc.)

What are the specific impacts on instructional/support programs to
C accommodate the settlement? Include the impact of non-negotiated changes such as staff reductions and program reductions/eliminations.
Due to the fact that the District's unrestricted general fund is not deficit spending the District did not need to make any cuts or reductions to any specific program, either instructional or non-instructional to accommodate these settlements. A specific impact is that this helps the District to achieve the goal of moving closer to having AUSD offer competitive salaries in the county and empower us to retain key staff in hard to fill positions.
Beyond the scope of this question are the non-specific impacts of this salary increase. Of which is an increase in staff morale, improved recruitment and retention of staff, and the opportunity cost of having fewer funds in the future for the purchase of instructional and non-instructional supplies and services.
D.

What contingency language is included in the proposed agreement? Include specific areas identified for reopeners, applicable fiscal years, and specific contingency language.
Applicable fiscal years:
The general salary increase applies to the salary schedule and remains in place until replaced/changed in another agreement.

The increase in the H\&W cap is effective Jan 1st and remains in place until replaced/changed in another agreement.

Contingency language.:
