Dear Charles Street School Community:

Halloween Parade

Due to the potential for inclement weather, we will continue with our plans to have a parade but it will shift from being outdoors to indoors. Unfortunately, due to COVID-19 restrictions, parents are not allowed in the building during our indoor parade. However, we have coordinated with our Technology Department to have the parade streamed live on the Palmyra School District Facebook Page beginning at 1:15 PM. If you do not want your child to participate in the live streaming of the parade, please complete the bottom portion of this letter. A determination will be made by Friday morning. We are prepared for both and the only factor to make this determination will be the weather. If by chance the parade shifts being indoors, a message will be sent to families as well as posted to the district website.

Although the plans for the parade may change, the following will still occur rain or shine:

- ✓ Parents of K-2 students may still pick up their child at 12:15 PM and return by 1 PM.
- ✓ Classrooms will have parties sponsored by their classroom teacher and our PTA room parents. All treats and food will be sent home for students to enjoy.
- ✓ Students will participate in a parade either indoors or outdoors.

While I realize the many challenges the pandemic has imposed on our regular operations, it is my goal to reclaim some of what's been lost. Whether rain or shine, your children and our students will have a Halloween Parade! Whether indoors or outdoors, we will make provision for our supportive parents to view the parade! And together, we will continue to overcome hurdles together!
