The Granby Public School District is proud to offer enrollment in one of our integrated preschool classrooms for the 2021-2022 school year.

An integrated preschool is defined as a learning opportunity by which students with special needs are integrated with typically developing peers in a 50/50 ratio of enrollment. Benefits of an integrated preschool include gains in intellectual, language and social skills. In addition to instruction from the classroom teacher, services such as speech and language, occupational and physical therapy are delivered within the classroom.

Applications to the preschool will take place by appointment only on February 19, February 26 and March 5 at Kelly Lane Primary School. Please contact the school to make an appointment.

Applicants will be selected through a lottery in Spring 2021. Students with disabilities are enrolled based on their Individual Education Plan.

TUITION

Annual tuition is \$1,818.00 per student. A down payment of \$181.80 is required upon acceptance.

PLEASE NOTE:

The Granby preschool program will follow the Granby Public Schools calendar. In the event of an unscheduled late opening, AM preschool will be canceled and in the event of an unscheduled early release, PM preschool session will be cancelled. All cancellations can be found on Channels 3 and 30 and posted on the district website: www.granby.k12.ct.us.
