Dear Community and Families,

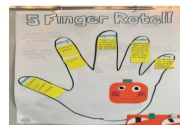

We hope this newsletter finds you all well!

This month, we would like to highlight some of the literacy work that has been going on in the building. Many of you know, **reading is a focus and commitment for us in our School Improvement Plan.** We have spent these first two months of school really digging into foundational reading skills and development. Our staff have been lifting the sky together to:

1. Assess all of our students around their progress towards reading standards
2. Identify key foundational literacy skills needed for individuals and groups of students such as letter sounds, word endings, sight words, etc.
3. Launch our literacy acceleration blocks to provide small group instruction for all students at their level
4. Learn about and digging deeper into shared reading as a way to help students access and think about complex texts
5. Provide daily whole group reading lessons and independent reading practice for all students
6. Meet weekly to discuss student progress and plan next steps for teaching and learning

We are so proud of the hard work of our QCT students!

Sincerely,  
Sarah-Marie Boerner, Principal
