Extra-curricular Participation-Student Eligibility

Students who participate in extracurricular activities sponsored by the Argenta-Oreana CUSD #1 must meet eligibility requirements as established by the Illinois Elementary School Association or the Illinois High School Association, and the Argenta-Oreana Board of Education.

Regarding eligibility requirements established by the Argenta-Oreana Board of Education, these requirements include:

1. Registration requirements
2. Academic requirements
3. Attendance requirements
4. Code of Conduct requirements
5. Residency requirements

Registration requirements include that all students participating in extra-curricular activities sponsored by the Argenta-Oreana CUSD #1 be registered full-time students of the Argenta-Oreana CUSD #1 (for at least 300 minutes of the regular school day, excluding lunch and passing times).

Academic requirements include maintaining a minimum grade and grade point average on a weekly and semester basis. This minimum grade point average is listed in each school's parent-student handbook.

Attendance requirements include maintaining regular attendance at Argenta-Oreana Schools with no same day absences for practices and/or games. Attendance rules are listed in each school's parent-student handbook

Code of Conduct requirements include maintaining conduct in good standing with school policies. Discipline infractions shall have consequences that impact on a student's participation in extra-curricular activities. Consequences are listed in each school's parent-student handbook.

Residency requirements include maintaining legal residency within the school district as specified by the IESA and/or IHSA, and the Argenta-Oreana Board of Education.
