Professional Development Plan for Bad Weather Makeup Days

June 1 & 2, 2021

- | | |
|--|-----------------------------|
| ➤ Collaborative Structures | Kagan Professional Learning |
| ➤ Structured Literacy | Reading Horizons |
| ➤ Small Group Instruction/Workshop Model | Debbie Dillar |
| ➤ Blended Learning | Holly Shaw & Region 11 |
| ➤ Leader in Me | Franklin Covey |
| ➤ 9 Traits of Critical Thinking | Mentoring Minds |

Collaborative Structures by Kagan Professional Learning

Who: Every professional teacher in Tyler ISD

When: June 1 & 2, August 9-11, and September 7, 2021

Benefits:

- Increase student engagement
- Improve communication (listening and speaking)
- Appeals to most learning styles
- Higher retention of material
- Personal accountability

Structured Literacy by Reading Horizons

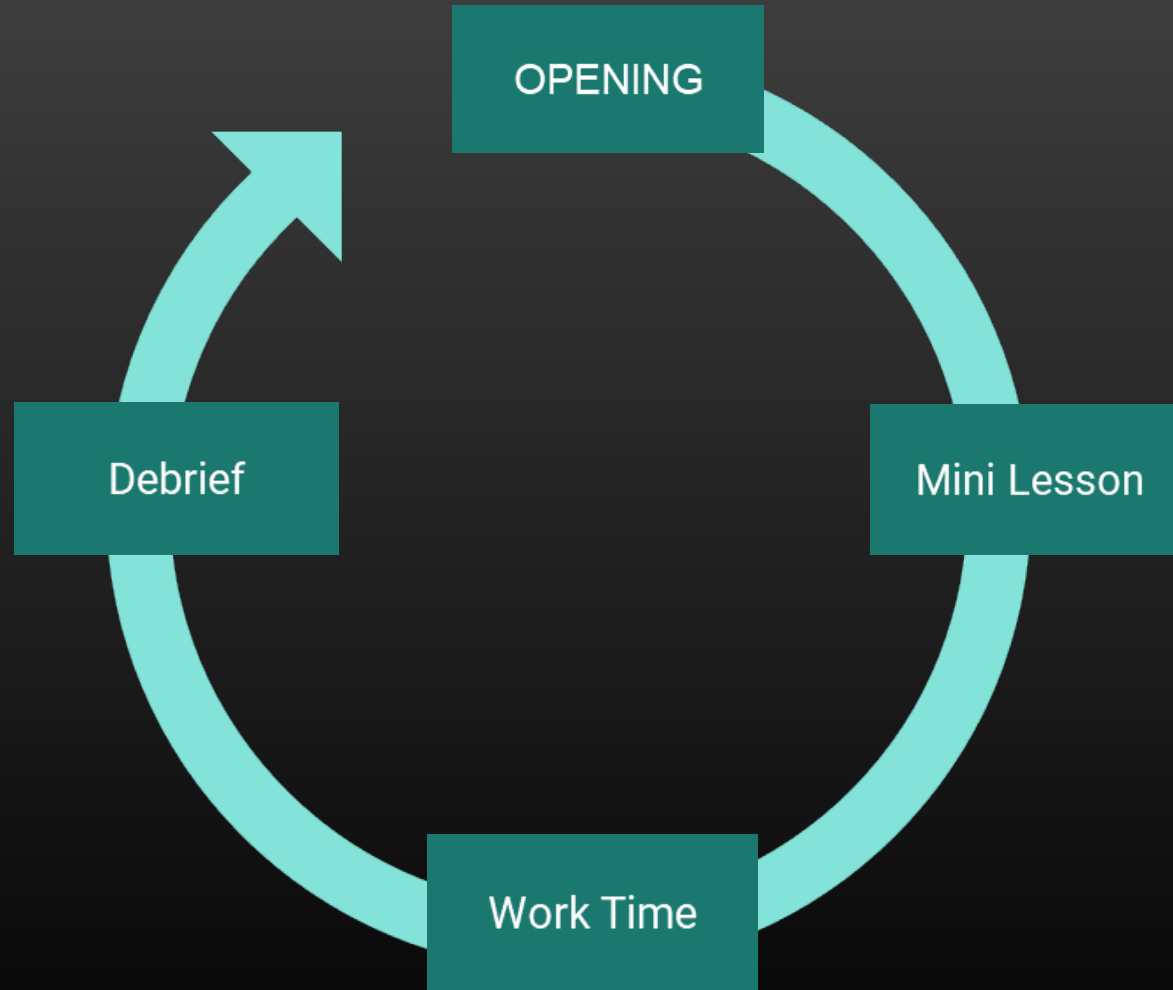

Who: Reading Teachers and professionals who support Reading

When: June 1 & 2, August 9-11, and Fall of 2021 (late hires)

Benefits:

- Promotes strategies that align with the Science of Teaching Reading
- Emphasize on phonemic awareness and phonics instruction
- Integrates Spelling, Handwriting, and Writing
- Systemic and scripted approach to teaching reading

Small Group Instruction / Workshop Model

Blended Learning Models

Station-Rotation

- Collaborative
- Relevant to current content
- Teacher led stations
- Same schedule

Class/Lab-Rotation

- Students rotate to different classes or a lab
- Individualized based on student need
- Portion of lesson can be on Canvas

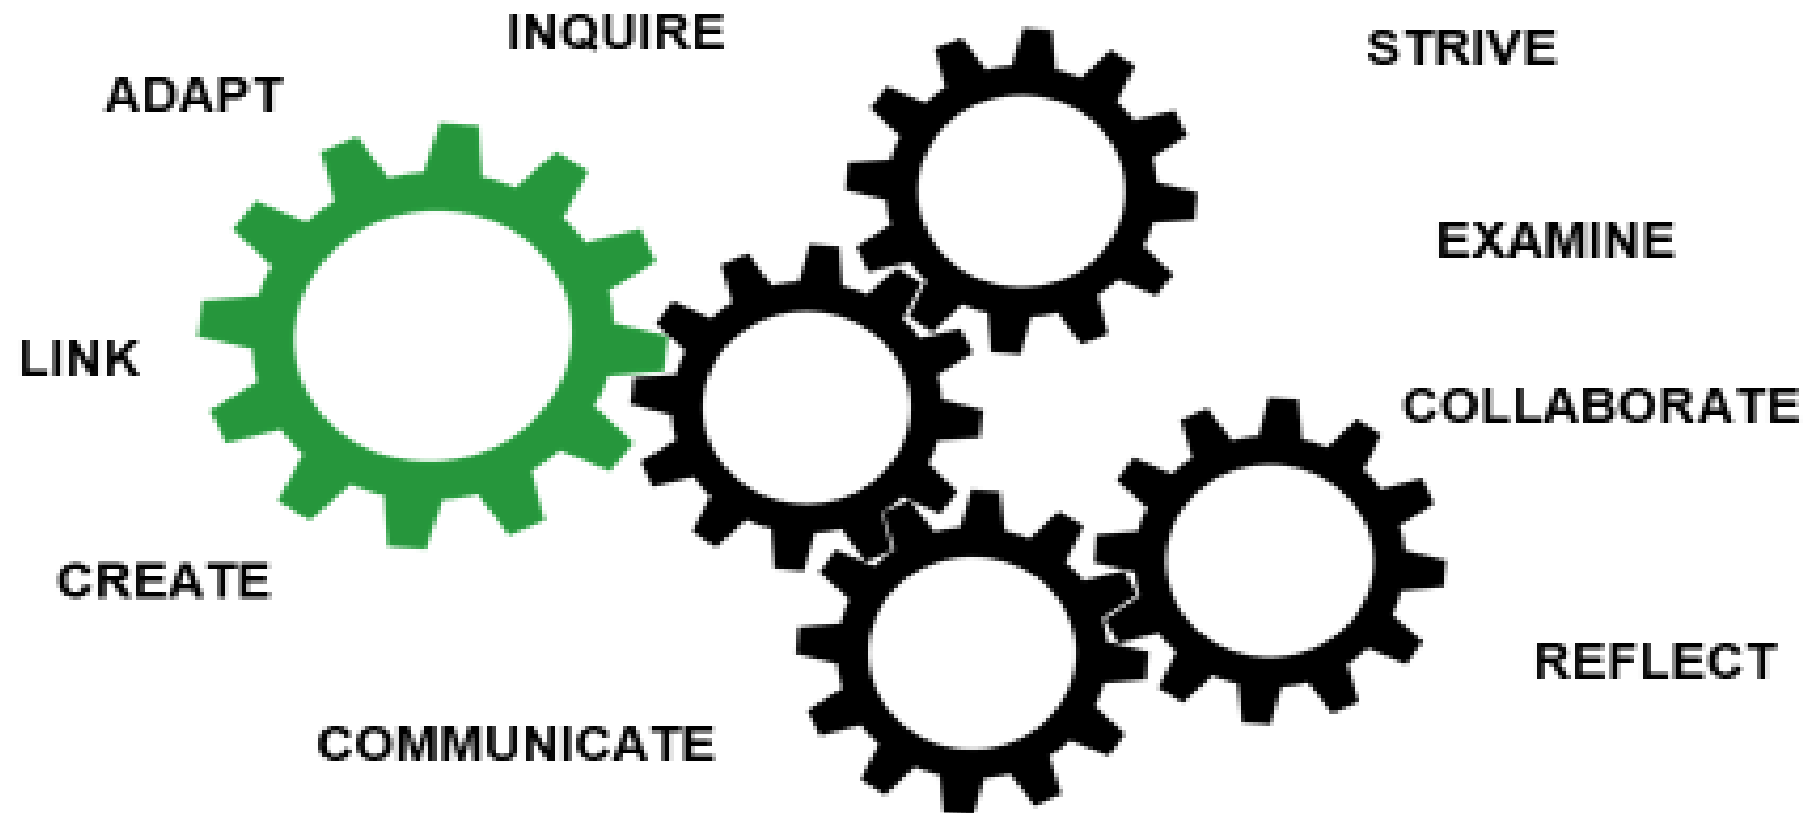

Flipped-Classroom

- Students spend time away from school learning content
- Time in class is spent with teacher reinforcing learning concepts
- Easily individualized

Individual-Rotation

- Student with specific academic needs has individual schedule that he/she rotates through
- Provides personalized learning opportunities
- For intervention or acceleration
