

A probable or laboratory confirmed COVID-19 positive **STUDENT** is present while on school grounds during the infectious period of 48 hours prior to onset of symptoms or 48 hours prior to a positive test result

If both the probable/confirmed positive case and student contacts were:

- Wearing a properly fitted mask AND ≥ 3 ft away
- OR
- Wearing a mask AND < 3 ft away, for < 15 minutes

No quarantine required

**** HOME TESTS WILL NOT BE ACCEPTED**

If both the probable/confirmed positive case and student contacts were:

- Wearing a mask or Not wearing a mask
- AND
- < 3 ft away, for 15+ consecutive minutes

Mandatory Quarantine Required

High Risk Activities (such as Sports, Band/Chorus, and PE) both the probable/confirmed positive case and student were:

- No mask < 6 ft, > 15 minutes = **Mandatory Quarantine**
- OR
- < 3 ft Mask or No Mask = **Mandatory Quarantine**
- OR
- Properly Fitted Masked ≥ 3 AND < 6 ft = **No Quarantine**
- OR
- ≥ 6 ft = **No Quarantine**

If at any time another staff/student test positive the entire team/cohort does a mandatory quarantine

If the contact of the probable/confirmed case is:

- Fully Vaccinated AND are **not** having any signs and/or symptoms = **No Quarantine**
- Recently tested positive for COVID-19 within the last 90 days = **No Quarantine**
- Fully Vaccinated AND are experiencing signs and/or symptoms = **Mandatory Quarantine**
- For an exposed student/staff with symptoms regardless of vaccination status: A **negative PCR** will shorten the MQ from 14 days down to 10 days
- For an exposed student/staff with symptoms and fully vaccinated and obtain an alternative diagnosis: A **negative PCR** releases them from MQ

The LHD has the right to deviate from the above, at their discretion, following the investigation of circumstances.
