Are you participating in a CTE Internship? _____ Yes _____ No

If you are participating in an internship, where is that taking place: _____

Circle the season you participate in athletics: Fall Winter Spring

By signing this form, we agree to the following expectations for student parking:

- Due to limitations with parking space, a lottery will be implemented for the 2023-2024 school year.
- Student driver agrees to follow all rules pertaining to their driver's license and road safety rules and regulations as well as the Parking section of the Student Handbook.
- Complete contracts must be received by August 15th so that students can be entered in the lottery.
- The cost of the parking permit is \$50. Students will be given a choice to paint their spot to personalize it. The cost for a permit for this is \$100. For students awarded a spot, payment must be made by August 22, 2023.
- Parking permit must be displayed on rearview mirror. A replacement permit has a fee of \$10.
- Park in the assigned spot reserved for your vehicle.
- Drive safely, use caution, and yield to other vehicles and people in the parking lot.
- If you are tardy to school more than 3 times in a quarter, without a documented reason outlined in the Student Handbook, your parking permit will be revoked and the spot will be assigned to another student. There is no refund to the parking permit fee.
- Failure to follow the above rules will lead to revoking of the parking permit or towing of the vehicle.
- Accessing your vehicle during the day without permission will result in losing the parking permit.
- Violations of other school rules may also result in the loss the parking permit.
