Subject: Revision to 2021-2022 School Calendar

The Harrison County Board of Education met October 26<sup>th</sup> and passed a motion to revise the 2021-2022 Harrison County School Calendar. That revision makes November 22<sup>nd</sup> and November 23<sup>rd</sup> non-instructional days (no school) for students. This means that now there is no school for students November 22<sup>nd</sup> through November 26<sup>th</sup>; the week of Thanksgiving.

However, November 22<sup>nd</sup> and 23<sup>rd</sup> will be work days for staff. Personnel will report to their schools or work locations. The calendar currently reflects a Thanksgiving Break for all on November 24<sup>th</sup> – 26<sup>th</sup> and recognizes November 25<sup>th</sup> as the Thanksgiving holiday.

The pandemic interrupted student learning last year, and staff members have been working tirelessly on Individual Learning Plans for their students. The two work days in November will allow teachers to collaborate and focus their efforts in meeting the instructional needs of their students.

I wish everyone a Thanksgiving well spent with family and friends.

Best regards,

Dr. Harry Burchett, Superintendent  
Harrison County Schools
