HOLIDAY ASSISTANCE

If your family would like information on holiday assistance, please click [HERE](#) for more information. Please be aware that deadlines to apply for a lot of these services are in November.

OCTOBER WAS BULLYING PREVENTION MONTH

Mrs. Dianna has been teaching bullying prevention lessons in classes all month long. Students were taught the three R's to stop bullying -RECOGNIZE, REPORT, REFUSE. They were also taught what to do if they are bystanders to bullying, and how they can use their bystander power to stop bullying!

We also had some fun activities throughout the month such as, making a paperchain of reasons to stand up to bullying. Students also had the opportunity to pass out kindness cards to other students!
