

## **School, Parent and Family Engagement Policy - SPFE**

The Gasconade C-4 staff is committed to keeping parents informed regarding our curriculum and assessment processes. We are dedicated to good communication between staff and parents. A supportive partnership with parents is also important as we all work together to serve our students. In support of this commitment, the staff will adhere to the School, Parent & Family Engagement Policy.

### **A. Parental Involvement:**

Will include the following:

- \* Parents have the opportunity to attend the regularly scheduled Parent/Teacher Conferences.

- \*Parents are provided information on how they can support their child in Reading and Math instruction.

- \*Parents are given suggestions of opportunities for practice at home, along with information regarding ways to use available technology to enhance their student's learning.

- \*Parents are informed of the best ways that they can correspond with the staff whether they are giving feedback about the programs or just communicating about their child's progress.

- \*Parents and students are invited and encouraged to attend the Spring Title I Reading Night.

- \*Parents are continually informed of any upcoming school events related to our Reading and Math curriculum.

- \*Parents are given an interpretation of the school's Annual Performance Report (APR).

- \*Parents are given the opportunity and encouraged to provide input on The Title I Program through informal conversation, structured Parent/Teacher Conferences and an annual parent survey.

### **B. Title I Staff Responsibilities:**

Will include the following:

- \*The Title I Staff monitors student progress throughout the year.

- \*The Title I Staff understands the Missouri Learning Standards as well as Missouri Assessment Program (MAP) expectations.

\*The Title I Staff provides an annual report to the Gasconade C-4 School Board in May or upon request.

\*The Title I Staff meets with parents in a timely manner when a parent requests a conference with a staff member regarding their child.

\*The Title I Staff keeps all other Gasconade staff members informed of students' needs and progress via open and ongoing conversations.

\*The Title I Staff will make assessment reports of students' progress available to other Gasconade staff members.

\*The Title I Staff as well as other Gasconade staff members will adhere to confidentiality procedures at all times.

#### C. Shared Responsibilities:

The following is a shared responsibility between parents, classroom teachers and Title I staff:

\*Title I staff members and parents acknowledge that educating students requires a partnership between parents and all school staff. We will all work together to continually promote this partnership.

#### D. Accessibility:

The Gasconade C-4 Title I Program provides equal opportunities for the participation of parents and children who have limited English proficiency, those who have disabilities as well as homeless and migratory parents and children.
