Newark Families and Staff,

What a great week we had with dress up days and ending the week with Halloween costumes! Did you see us live on facebook? Check out our facebook page - Newark District 66 to catch up on the week in photos! Thanks to Mrs. Eike for arranging Red Ribbon Week days, PTO for sponsoring the pencils, ribbons and to all the staff for participating! Thanks to everyone who sent in treats for Halloween!

Shout out Congratulations to our 6th Grade Boys' Basketball team for their 2nd place finish in the Sports Boosters Early Bird Tournament! Thanks to all the parents and coaches. NewarkNet was our trophy sponsor. It was a busy tournament! Good to be back!

Two Time to Dine's this month! All proceeds go back to the school for playground equipment. We have replaced one slide and all swings at NGS. We are currently waiting on two more slides that are backordered to be replaced. Thank you for helping replace the equipment and supporting local restaurants!

The weather is changing! Be prepared to start wearing snow pants and boots in the future. Hate to see the warm weather go, but our K - 4 students go outside every day - especially in the morning before school. Please make sure they are dressed for the weather.

Last - a shout out to Mr. Jim Davis! Mr. Davis is a current board member. He was recognized as a Level II Master Board Member last week at our local Three Rivers chapter. Congrats Mr. Davis and thanks for your service to our students and staff!

Please continue Symptom Screenings in TeacherEase by 6:30 am for bus riders and 7:30 am for walkers. COVID19 data is reported below. We will keep reporting the data throughout the year.

New for 2021: Parent Portal and Video Individual Score Reports

Illinois Assessment of Readiness for English Language Arts/Literacy (ELA/L) and Mathematics

Dear Parent or Guardian:

Newark CCSD 66) is pleased to inform you of a new and innovative method for presenting your student Illinois Assessment of Readiness (IAR) test results.

- IAR Parent Portal Introducing https://il-results.pearsonaccessnext.com, where you can access individual student results and resources to support everything you need to know about your child's performance on the Illinois Assessment of Readiness for English Language Arts and Math. This portal also allows you to add your student's Spring 2021 test results to your user account and access them in the future.
- Video Individual Score Reports (Video ISRs) Video ISRs are personalized videos created specifically for your student that walk through the information presented on their student's score report. Delivered via the IAR Parent Portal, video ISRs combine student-specific animation and voiceovers to help you better understand your student's assessment results and direct you to resources that are tailored for your student's needs. We encourage you to watch these videos with your child and discuss any questions with your student's teacher.

As in the past, you will continue to receive paper copies of the Individual Student Reports (ISRs). However, new this year, included on the ISR, will be an individual claim code unique to your student. With this code you will be able to securely access your student's test results in the IAR Parent Portal.

The IAR Parent Portal and Video Individual Score Reports will be available October 26, 2021.

We are excited about the opportunity to strengthen our efforts with you to effectively communicate your student's performance on the Illinois Assessment of Readiness.
