The Algonquin Way

The educators at Algonquin will actively commit to creating a stimulating, language-rich classroom environment that is developmentally appropriate, implements best practices, and is differentiated to meet the needs of every student. The classroom will capture the individuality of the whole child, encourage students' curiosity and creativity, and prepare them for future success.

Character Day Fun!!!

Special Thanks!!!!

Thank you to all of our parents for always willing to support Algonquin School!!!! Thank you for sending candy, and participating in Character Day!!! The parade was so much fun, the children were so proud of their costumes!!

Parent Teacher Conferences

Virtual Conferences

Preschool parent teacher conferences are an important part of your child's preschool experience. When you meet with your child's teacher, you learn a lot about your little one, from his strengths and weaknesses to how he really interacts with other kids. Meetings like these are just part of the overall, ongoing communication you have with your child's preschool teacher. These conferences give parents/families a chance to spend more time with the teachers focusing on just your child (vs. quick check-ins at the beginning and end of the day). And they allow you to ask questions (unlike one-way communication tools, such as newsletters or daily activity logs).

Think of a preschool parent-teacher conference as your eyes and ears into a world that you aren't otherwise a part of. Follow the link below for tips in preparing for your child's parent teacher conferences.

Algonquin's Parent Teacher conferences will be virtual this year. Please make sure you have a time scheduled to meet with your child's teacher. Our goal is to connect with 100% of our student's parents. We look forward to connecting with you!!!

Conference Dates:

November 4, 2021 2:00p.m.-8:00p.m.

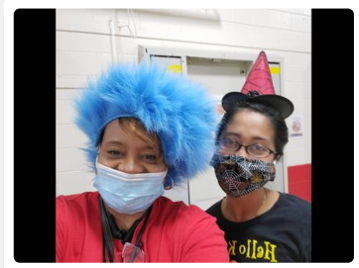

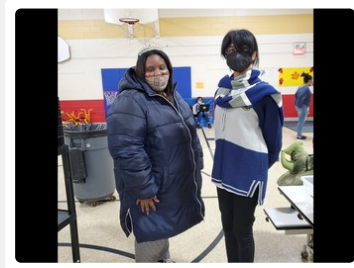

November 5, 2021 8:15 a.m.-1:00 p.m.

More Character Day Fun!!!

Attendance Matters

Every student. Every day.

A high-quality preschool program can build early literacy and math skills, as well as develop the social and emotional foundation children need to persist in school. But preschoolers only receive the full effect of these benefits if they show up for class regularly. What happens in preschool and early education can lay the foundation for good attendance habits in kindergarten and elementary school. We need our students at school everyday!!!! If your child is sick and need to stay home, please call our school secretary; Mrs. Lacy at 708) 668-9202.
