Comments: We had a beautiful day to run at Victoria for the State Meet. Our girls took advantage of it by all setting Season Best times, by an average of 1:05! Our 6th place finish was 2 places higher than we were ranked coming in and we were only 8 points off 5th. Rebekah became our 2nd girl to achieve All-State 3 times and will be our first girl to achieve Academic All-State honors. Payton's 2nd place finish is the highest girls finish in our program's history and her time of 19:27 is a new school record.

We have 3 seniors this year: Emma Alderman, Cecelia Emmert, and Kyndal Maike. They have all been with our program since the 7th grade and have had a big impact on our program over those 6 years. We will miss them greatly. Our future is bright with the runners who will return and we know there are some other girls out there who could help our team. We will continue to look to girls who will work hard and be good teammates. They will fit right in with this crew and we feel confident that any new additions will enjoy it as much as these girls do.

Thank you to Assistant Coach Alicia Stott for all her help throughout the season. Thanks also to all the great Cross Country parents who have supported our program and given us such great kids to work with!
