November 1, 2021

Dear Sixth Grade Families,

Tomorrow it will be announced to students that the 6th Grade Math Olympiad Contest will begin in two weeks! This competition is available to all 6th Grade math students.

6th Grade Math Olympiad provides an opportunity for middle school students to develop positive attitudes towards analytical thinking and mathematics that can assist in future careers.

All contests will be hosted from 3:00-3:30 pm in the cafeteria.

The first of five contests will be Thursday, November 18. Students who are interested are asked to complete a Google Form posted in their math Google Classroom, or it can be found at this [link](#). The future competitions will be held on 12/16, 1/27, 2/17, and 3/10.

If you or your child has any questions, please feel free to reach out to your child's math teacher.

Sincerely,

A handwritten signature in black ink that reads 'Brooke Phillips'.

Principal, Madison Junior School
