Summer Experience

Check out our state of the art Planetarium this summer!

Wednesday, August 2nd 2023

Marlboro High School Planetarium

K and 1st grade students: 9am

2nd and 3rd grade students: 10am

4th and 5th grade students: 11am

The experience will last about 40 minutes.

Students and families can expect a tour of our night sky, constellations, a trip through the solar system with stops at each planet, flight through deep space, and IMAX videos!

Due to seating limitations under the dome, each show is capped at 40 guests.

All students must be accompanied by an adult.

Registration is on a first come first serve basis.
