

2021-2022 COVID-19 DASHBOARD

The purpose of this data is to provide our Kayenta Unified School District families and staff with a transparent summary of COVID-19 cases. Individuals who test positive are excluded from participation in any in-person/on-campus activity, the individual must meet the return criteria set by the state and local health authorities. The following definitions may help clarify exactly what the dashboard data represents.

All COVID-19 KUSD data shared is for informational purposes only. This information is based on reports to the district from other sources. KUSD confers with Kayenta Indian Health Services Health department to track COVID-19 cases.

Confirmed Active Cases:

A student or staff member **participating in on-campus activities** who has **tested positive for an active COVID-19 infection**. Individuals who test positive are excluded from participation in any in-person/on-campus activity until verified that the individual meets the return criteria set by state and local authorities.

Percentage of Active Cases:

The number of **active cases** at a school site as a percentage out of the **total number** of staff and students at the school.

Resolved Cases:

Once the individual is cleared to return, they are **no longer considered an active case** and their case is removed from the **Confirmed Active Cases** count and added to **Resolved Cases**.

The data will be updated weekly.

KUSD COVID-19 Notifications (additional COVID-19 Information)

The potentially positive or positive, COVID-19 tests fall within the FERPA/HIPAA guidelines and the privacy right of students and staff must be protected.

The school will notify every person that has been identified to have been in close contact (3 ft.) with the positive individual.

If the positive person is a student or teacher, all students in that class will be notified with a standard KUSD COVID-19 Classroom Notification Letter.

After all persons who have been in close contact have been notified, and the notification letter has been sent, the case is reported on the weekly [the KUSD COVID-19 Dashboard](#).

Parents/Caregivers: If you may have questions about an exposure notification you received from your child's school and need further clarification of the guidelines we are following for COVID-19, please see the [Kayenta Health Care Center](#). You can also speak to someone directly at the Kayenta Health Care Center by calling the COVID-19 Parent Hotline:
