Need-to-Know Information

Telecommunications Relay

To contact Verizon Wireless using a TTY device, dial 711 to reach a Telecommunications Relay Service (TRS) operator to assist you in completing your call.

FUSC Change

The Federal Universal Service Charge (FUSC) is a Verizon Wireless charge that is subject to change each calendar quarter based on contribution rates prescribed by the FCC. On January 1, the FUSC decreased to 7.73% of assessable wireless charges, other than separately billed interstate and international telecom charges. The FUSC on separately billed interstate and international telecom charges decreased to 25.20%. For more details, please call 1-888-684-1888

Explanation of Surcharges

Surcharges include (i) a Regulatory Charge (which helps defray various government charges we pay including government number administration and license fees); (ii) a Federal Universal Service Charge (and, if applicable, a State Universal Service Charge) to recover charges imposed on us by the government to support universal service; and (iii) an Administrative Charge, which helps defray certain expenses we incur, including: charges we, or our agents, pay local telephone companies for delivering calls from our customers to their customers; fees and assessments on our network facilities and services; property taxes; and the costs we incur responding to regulatory obligations. **Please note that these are Verizon Wireless charges, not taxes. These charges, and what's included, are subject to change from time to time.**

More On Wireless Taxes And Surcharges

Your total charges for this month's bill cycle are $1197.96.

This includes charges for one or more bundled Verizon service plans that include voice, messaging, data, or other services for which you pay a monthly plan charge.

This bill cycle, your fixed monthly plan charges were $1210.72 (before applying any discounts or credits, and excluding other charges such as overage, late payment, taxes, Verizon surcharges, and equipment).

To accurately bill taxes and Verizon surcharges, we regularly look at past network usage by you and other customers with similar plans to allocate this fixed monthly plan charge among the services included in the bundle.

In this bill cycle, we have allocated this amount as follows: $62.47 for voice, $7.80 for messaging, $1140.45 for data, and $0.00 for other services.

For more information, please go to vzw.com/taxesandsurcharges.

Bankruptcy Information

If you are or were in bankruptcy, this bill may include amounts for pre-bankruptcy charges. You should not pay pre-bankruptcy amounts; they are for your information only. In the event Verizon receives notice of a bankruptcy filing, pre-bankruptcy charges will be adjusted in future invoices. Mail bankruptcy-related correspondence to 500 Technology Drive, Suite 550, Weldon Spring, MO 63304.

Need-to-Know Information

CDMA Network Retirement

As you were previously notified, your CDMA 3G and certain older 4G devices will be impacted by the CDMA network retirement on December 31, 2022. Please upgrade your impacted device(s): sign in to your My Business account by visiting verizon.com/business/login, contact your sales representative, or call 800.922.0204.

Explanation of Surcharges

Surcharges include (i) a Regulatory Charge (which helps defray various government charges we pay including government number administration and license fees); (ii) a Federal Universal Service Charge (and, if applicable, a State Universal Service Charge) to recover charges imposed on us by the government to support universal service; and (iii) an Administrative Charge, which helps defray certain expenses we incur, including: charges we, or our agents, pay local telephone companies for delivering calls from our customers to their customers; fees and assessments on our network facilities and services; property taxes; and the costs we incur responding to regulatory obligations. **Please note that these are Verizon Wireless charges, not taxes. These charges, and what's included, are subject to change from time to time.**

More On Wireless Taxes And Surcharges

Your total charges for this month's bill cycle are $2395.92.

This includes charges for one or more bundled Verizon service plans that include voice, messaging, data, or other services for which you pay a monthly plan charge.

This bill cycle, your fixed monthly plan charges were $1210.72 (before applying any discounts or credits, and excluding other charges such as overage, late payment, taxes, Verizon surcharges, and equipment).

To accurately bill taxes and Verizon surcharges, we regularly look at past network usage by you and other customers with similar plans to allocate this fixed monthly plan charge among the services included in the bundle.

In this bill cycle, we have allocated this amount as follows: $62.47 for voice, $7.80 for messaging, $1140.45 for data, and $0.00 for other services.

Need-to-Know Information

Important Information Regarding Your Customer Agreement

Verizon has updated parts of your Customer Agreement. In the "My Service" section we clarified that by using your Service you are agreeing to all applicable terms and conditions for your Service, including, but not limited to, the terms described in the Important Plan Information. In the "My Privacy" section we emphasized that when you access third-party services, including any which Verizon may make available, you are subject to the terms of service and privacy polic(ies) of those third party provider(s) when using their services. In the "Billing and Payments" section we clarified the returned payment fee that you will be charged if your check or electronic bank payment to Verizon is returned as not payable; the fee will be the lesser of $30 or the maximum allowable by law. We also added a "Backup Payment Agreement" section pursuant to which we describe how your credit card may be used to pay outstanding balances in the event your account is closed but remains unpaid. In the "DISCLAIMER OF WARRANTIES" section we clarified that Verizon does not guarantee that all features of your wireless device will work as designed on the Verizon network.

FUSC Change

The Federal Universal Service Charge (FUSC) is a Verizon Wireless charge that is subject to change each calendar quarter based on contribution rates prescribed by the FCC. On April 1, 2022, the FUSC decreased to 7.25% of assessable wireless charges, other than separately billed interstate and international telecom charges. The FUSC on separately billed interstate and international telecom charges decreased to 23.80%. For more details, please call 1-888-684-1888

Explanation of Surcharges

Surcharges include (i) a Regulatory Charge (which helps defray various government charges we pay including government number administration and license fees); (ii) a Federal Universal Service Charge (and, if applicable, a State Universal Service Charge) to recover charges imposed on us by the government to support universal service; and (iii) an Administrative Charge, which helps defray certain expenses we incur, including: charges we, or our agents, pay local telephone companies for delivering calls from our customers to their customers; fees and assessments on our network facilities and services; property taxes; and the costs we incur responding to regulatory obligations. **Please note that these are Verizon Wireless charges, not taxes. These charges, and what's included, are subject to change from time to time.**

Bankruptcy Information

If you are or were in bankruptcy, this bill may include amounts for pre-bankruptcy charges. You should not pay pre-bankruptcy amounts; they are for your information only. In the event Verizon receives notice of a bankruptcy filing, pre-bankruptcy charges will be adjusted in future invoices. Mail bankruptcy-related correspondence to 500 Technology Drive, Suite 550, Weldon Spring, MO 63304.

Important Update To Our Basic Voicemail

A feature currently available on our basic voicemail platform allows messages to be sent directly to customers' mailboxes without their phones ever ringing. This practice has been used as an unauthorized marketing tool to send pre-recorded messages to our customers.

In an effort to improve the customer experience for this feature and reduce unwanted messages, an enhancement will be implemented and effective on May 15, 2022. Recorded messages will be limited to one mailbox destination per voicemail retrieval call session rather than allowing for the sending to multiple mailbox destinations for the same message. This enhancement will not apply to visual voicemail (basic or premium) on devices.

Need-to-Know Information

CDMA Network Retirement

As you were previously notified, your CDMA 3G and certain older 4G devices will be impacted by the CDMA network retirement on December 31, 2022. Please upgrade your impacted device(s): sign in to your My Business account by visiting verizon.com/business/login, contact your sales representative, or call 800.922.0204.

Explanation of Surcharges

Surcharges include (i) a Regulatory Charge (which helps defray various government charges we pay including government number administration and license fees); (ii) a Federal Universal Service Charge (and, if applicable, a State Universal Service Charge) to recover charges imposed on us by the government to support universal service; and (iii) an Administrative Charge, which helps defray certain expenses we incur, including: charges we, or our agents, pay local telephone companies for delivering calls from our customers to their customers; fees and assessments on our network facilities and services; property taxes; and the costs we incur responding to regulatory obligations. **Please note that these are Verizon Wireless charges, not taxes. These charges, and what's included, are subject to change from time to time.**

More On Wireless Taxes And Surcharges

Your total charges for this month's bill cycle are $3095.88.

This includes charges for one or more bundled Verizon service plans that include voice, messaging, data, or other services for which you pay a monthly plan charge.

This bill cycle, your fixed monthly plan charges were $1210.72 (before applying any discounts or credits, and excluding other charges such as overage, late payment, taxes, Verizon surcharges, and equipment).

To accurately bill taxes and Verizon surcharges, we regularly look at past network usage by you and other customers with similar plans to allocate this fixed monthly plan charge among the services included in the bundle.

In this bill cycle, we have allocated this amount as follows: $62.47 for voice, $7.80 for messaging, $1140.45 for data, and $0.00 for other services.

For more information, please go to vzw.com/taxesandsurcharges.

Bankruptcy Information

If you are or were in bankruptcy, this bill may include amounts for pre-bankruptcy charges. You should not pay pre-bankruptcy amounts; they are for your information only. In the event Verizon receives notice of a bankruptcy filing, pre-bankruptcy charges will be adjusted in future invoices. Mail bankruptcy-related correspondence to 500 Technology Drive, Suite 550, Weldon Spring, MO 63304.

Need-to-Know Information

Explanation of Surcharges

Surcharges include (i) a Regulatory Charge (which helps defray various government charges we pay including government number administration and license fees); (ii) a Federal Universal Service Charge (and, if applicable, a State Universal Service Charge) to recover charges imposed on us by the government to support universal service; and (iii) an Administrative Charge, which helps defray certain expenses we incur, including: charges we, or our agents, pay local telephone companies for delivering calls from our customers to their customers; fees and assessments on our network facilities and services; property taxes; and the costs we incur responding to regulatory obligations. **Please note that these are Verizon Wireless charges, not taxes. These charges, and what's included, are subject to change from time to time.**

Bankruptcy Information

If you are or were in bankruptcy, this bill may include amounts for pre-bankruptcy charges. You should not pay pre-bankruptcy amounts; they are for your information only. In the event Verizon receives notice of a bankruptcy filing, pre-bankruptcy charges will be adjusted in future invoices. Mail bankruptcy-related correspondence to 500 Technology Drive, Suite 550, Weldon Spring, MO 63304.

Explanation of charges: The monthly Federal Universal Service charge is 23.80% of interstate and international telecom charges (varies quarterly). The monthly Regulatory charge is $ 0.16 per line for voice capable devices, or $0.02 per line for data only devices. The monthly Administrative Charge is $ 1.95 per line for voice capable devices, or $0.06 per line for data only devices. These are Verizon's charges, not taxes. Taxes, surcharges and other fees, such as e911 and gross receipt charges, can add between 18.00% and 94.00% to your monthly bill, and are added to your monthly access fees and airtime charges.

Explanation of charges: The monthly Federal Universal Service charge is 23.80% of interstate and international telecom charges (varies quarterly). The monthly Regulatory charge is $ 0.16 per line for voice capable devices, or $0.02 per line for data only devices. The monthly Administrative Charge is $ 1.95 per line for voice capable devices, or $0.06 per line for data only devices. These are Verizon's charges, not taxes. Taxes, surcharges and other fees, such as e911 and gross receipt charges, can add between 18.00% and 94.00% to your monthly bill, and are added to your monthly access fees and airtime charges.

Need-to-Know Information

CDMA Network Retirement

As you were previously notified, your CDMA 3G and certain older 4G devices will be impacted by the CDMA network retirement on December 31, 2022. Please upgrade your impacted device(s): sign in to your My Business account by visiting verizon.com/business/login, contact your sales representative, or call 800.922.0204.

Important Information Regarding Your Customer Agreement

Verizon has updated parts of your Customer Agreement. In the "My Service" section we clarified that by using your Service you are agreeing to all applicable terms and conditions for your Service, including, but not limited to, the terms described in the Important Plan Information. In the "My Privacy" section we emphasized that when you access third-party services, including any which Verizon may make available, you are subject to the terms of service and privacy polic(ies) of those third party provider(s) when using their services. In the "Billing and Payments" section we clarified the returned payment fee that you will be charged if your check or electronic bank payment to Verizon is returned as not payable; the fee will be the lesser of $30 or the maximum allowable by law. We also added a "Backup Payment Agreement" section pursuant to which we describe how your credit card may be used to pay outstanding balances in the event your account is closed but remains unpaid. In the "DISCLAIMER OF WARRANTIES" section we clarified that Verizon does not guarantee that all features of your wireless device will work as designed on the Verizon network.

FUSC Change

The Federal Universal Service Charge (FUSC) is a Verizon Wireless charge that is subject to change each calendar quarter based on contribution rates prescribed by the FCC. On April 1, 2022, the FUSC decreased to 7.25% of assessable wireless charges, other than separately billed interstate and international telecom charges. The FUSC on separately billed interstate and international telecom charges decreased to 23.80%. For more details, please call 1-888-684-1888

Explanation of Surcharges

Surcharges include (i) a Regulatory Charge (which helps defray various government charges we pay including government number administration and license fees); (ii) a Federal Universal Service Charge (and, if applicable, a State Universal Service Charge) to recover charges imposed on us by the government to support universal service; and (iii) an Administrative Charge, which helps defray certain expenses we incur, including: charges we, or our agents, pay local telephone companies for delivering calls from our customers to their customers; fees and assessments on our network facilities and services; property taxes; and the costs we incur responding to regulatory obligations. **Please note that these are Verizon Wireless charges, not taxes. These charges, and what's included, are subject to change from time to time.**

More On Wireless Taxes And Surcharges

Your total charges for this month's bill cycle are $2558.95.

This includes charges for one or more bundled Verizon service plans that include voice, messaging, data, or other services for which you pay a monthly plan charge.

This bill cycle, your fixed monthly plan charges were $1271.99 (before applying any discounts or credits, and excluding other charges such as overage, late payment, taxes, Verizon surcharges, and equipment).

To accurately bill taxes and Verizon surcharges, we regularly look at past network usage by you and other customers with similar plans to allocate this fixed monthly plan charge among the services included in the bundle.

In this bill cycle, we have allocated this amount as follows: $62.47 for voice, $7.80 for messaging, $1201.72 for data, and $0.00 for other services.

For more information, please go to vzw.com/taxesandsurcharges.

Bankruptcy Information

If you are or were in bankruptcy, this bill may include amounts for pre-bankruptcy charges. You should not pay pre-bankruptcy amounts; they are for your information only. In the event Verizon receives notice of a bankruptcy filing, pre-bankruptcy charges will be adjusted in future invoices. Mail bankruptcy-related correspondence to 500 Technology Drive, Suite 550, Weldon Spring, MO 63304.

Important Update To Our Basic Voicemail

A feature currently available on our basic voicemail platform allows messages to be sent directly to customers' mailboxes without their phones ever ringing. This practice has been used as an unauthorized marketing tool to send pre-recorded messages to our customers.

In an effort to improve the customer experience for this feature and reduce unwanted messages, an enhancement will be implemented and effective on May 15, 2022. Recorded messages will be limited to one mailbox destination per voicemail retrieval call session rather than allowing for the sending to multiple mailbox destinations for the same message. This enhancement will not apply to visual voicemail (basic or premium) on devices.

Need-to-Know Information

Explanation of Surcharges

Surcharges include (i) a Regulatory Charge (which helps defray various government charges we pay including government number administration and license fees); (ii) a Federal Universal Service Charge (and, if applicable, a State Universal Service Charge) to recover charges imposed on us by the government to support universal service; and (iii) an Administrative Charge, which helps defray certain expenses we incur, including: charges we, or our agents, pay local telephone companies for delivering calls from our customers to their customers; fees and assessments on our network facilities and services; property taxes; and the costs we incur responding to regulatory obligations. **Please note that these are Verizon Wireless charges, not taxes. These charges, and what's included, are subject to change from time to time.**

Bankruptcy Information

If you are or were in bankruptcy, this bill may include amounts for pre-bankruptcy charges. You should not pay pre-bankruptcy amounts; they are for your information only. In the event Verizon receives notice of a bankruptcy filing, pre-bankruptcy charges will be adjusted in future invoices. Mail bankruptcy-related correspondence to 500 Technology Drive, Suite 550, Weldon Spring, MO 63304.

Need-to-Know Information

CDMA Network Retirement

As you were previously notified, your CDMA 3G and certain older 4G devices will be impacted by the CDMA network retirement on December 31, 2022. Please upgrade your impacted device(s): sign in to your My Business account by visiting verizon.com/business/login, contact your sales representative, or call 800.922.0204.

Explanation of Surcharges

Surcharges include (i) a Regulatory Charge (which helps defray various government charges we pay including government number administration and license fees); (ii) a Federal Universal Service Charge (and, if applicable, a State Universal Service Charge) to recover charges imposed on us by the government to support universal service; and (iii) an Administrative Charge, which helps defray certain expenses we incur, including: charges we, or our agents, pay local telephone companies for delivering calls from our customers to their customers; fees and assessments on our network facilities and services; property taxes; and the costs we incur responding to regulatory obligations. **Please note that these are Verizon Wireless charges, not taxes. These charges, and what's included, are subject to change from time to time.**

More On Wireless Taxes And Surcharges

Your total charges for this month's bill cycle are $1235.67.

This includes charges for one or more bundled Verizon service plans that include voice, messaging, data, or other services for which you pay a monthly plan charge.

This bill cycle, your fixed monthly plan charges were $1248.71 (before applying any discounts or credits, and excluding other charges such as overage, late payment, taxes, Verizon surcharges, and equipment).

To accurately bill taxes and Verizon surcharges, we regularly look at past network usage by you and other customers with similar plans to allocate this fixed monthly plan charge among the services included in the bundle.

In this bill cycle, we have allocated this amount as follows: $62.47 for voice, $7.80 for messaging, $1178.44 for data, and $0.00 for other services.

For more information, please go to vzw.com/taxesandsurcharges.

Bankruptcy Information

If you are or were in bankruptcy, this bill may include amounts for pre-bankruptcy charges. You should not pay pre-bankruptcy amounts; they are for your information only. In the event Verizon receives notice of a bankruptcy filing, pre-bankruptcy charges will be adjusted in future invoices. Mail bankruptcy-related correspondence to 500 Technology Drive, Suite 550, Weldon Spring, MO 63304.

**Monthly charges are shown before taxes, and Verizon Wireless surcharges/line (including 31.8% Fed. Univ. Svc.,$1.95 Administrative and $0.21 Regulatory Charges). Your organization may qualify for better pricing when the final price is calculated upon checkout.

ok, so I called 974-1756 and it's for Suzanne Dill. She's the new Family Engagement person.

I don't suppose you know where it should be charged (or who asked you to get her a phone?)

No, the 217-974-1756 is a mobile number and so is the 217-560-4100. Both have a contract term of 12 months.

Need-to-Know Information

Explanation of Surcharges

Surcharges include (i) a Regulatory Charge (which helps defray various government charges we pay including government number administration and license fees); (ii) a Federal Universal Service Charge (and, if applicable, a State Universal Service Charge) to recover charges imposed on us by the government to support universal service; and (iii) an Administrative Charge, which helps defray certain expenses we incur, including: charges we, or our agents, pay local telephone companies for delivering calls from our customers to their customers; fees and assessments on our network facilities and services; property taxes; and the costs we incur responding to regulatory obligations. **Please note that these are Verizon Wireless charges, not taxes. These charges, and what's included, are subject to change from time to time.**

Bankruptcy Information

If you are or were in bankruptcy, this bill may include amounts for pre-bankruptcy charges. You should not pay pre-bankruptcy amounts; they are for your information only. In the event Verizon receives notice of a bankruptcy filing, pre-bankruptcy charges will be adjusted in future invoices. Mail bankruptcy-related correspondence to 500 Technology Drive, Suite 550, Weldon Spring, MO 63304.

More On Wireless Taxes And Surcharges

Your total charges for this month's bill cycle are $867.39.
This includes charges for one or more bundled Verizon service plans that include voice, messaging, data, or other services for which you pay a monthly plan charge.
This bill cycle, your fixed monthly plan charges were $1094.68 (before applying any discounts or credits, and excluding other charges such as overage, late payment, taxes, Verizon surcharges, and equipment).
To accurately bill taxes and Verizon surcharges, we regularly look at past network usage by you and other customers with similar plans to allocate this fixed monthly plan charge among the services included in the bundle.
In this bill cycle, we have allocated this amount as follows: $56.45 for voice, $6.58 for messaging, $1031.65 for data, and $0.00 for other services.
For more information, please go to vzw.com/taxesandsurcharges.

Regulatory Charge Decrease

Effective September 1, 2021, the monthly Verizon Wireless Regulatory Charge for voice-capable devices will decrease from $0.21 to $0.16 per line. The charge for data-only devices remains at $0.02. Please note that this is a Verizon Wireless charge, not a tax. This charge, and what's included, are subject to change from time to time. For further information regarding this charge, review the "Explanation of Surcharges" section of this bill, or consult your wireless service agreement.

hey, There's a new line on the Verizon bill for this month. It's 217-305-9470. It looks like it could be for an iPad. Would you let me know who it belongs to so I can charge it to the appropriate account?

many thanks,

It's for a hotspot but they all should have been deactivated. I'll email and get it removed.

Need-to-Know Information

Explanation of Surcharges

Surcharges include (i) a Regulatory Charge (which helps defray various government charges we pay including government number administration and license fees); (ii) a Federal Universal Service Charge (and, if applicable, a State Universal Service Charge) to recover charges imposed on us by the government to support universal service; and (iii) an Administrative Charge, which helps defray certain expenses we incur, including: charges we, or our agents, pay local telephone companies for delivering calls from our customers to their customers; fees and assessments on our network facilities and services; property taxes; and the costs we incur responding to regulatory obligations. **Please note that these are Verizon Wireless charges, not taxes. These charges, and what's included, are subject to change from time to time.**

Bankruptcy Information

If you are or were in bankruptcy, this bill may include amounts for pre-bankruptcy charges. You should not pay pre-bankruptcy amounts; they are for your information only. In the event Verizon receives notice of a bankruptcy filing, pre-bankruptcy charges will be adjusted in future invoices. Mail bankruptcy-related correspondence to 500 Technology Drive, Suite 550, Weldon Spring, MO 63304.

Late Payment Information

A late payment applies for unpaid balances. The charge is the greater of $5 or 1.5% per month, or as permitted by law. Failure to pay bills on time may result in negative credit reporting.

More On Wireless Taxes And Surcharges

Your total charges for this month's bill cycle are $-198.03.
This includes charges for one or more bundled Verizon service plans that include voice, messaging, data, or other services for which you pay a monthly plan charge.
This bill cycle, your fixed monthly plan charges were $1105.74 (before applying any discounts or credits, and excluding other charges such as overage, late payment, taxes, Verizon surcharges, and equipment).
To accurately bill taxes and Verizon surcharges, we regularly look at past network usage by you and other customers with similar plans to allocate this fixed monthly plan charge among the services included in the bundle.
In this bill cycle, we have allocated this amount as follows: $53.44 for voice, $5.97 for messaging, $1046.33 for data, and $0.00 for other services.
For more information, please go to vzw.com/taxesandsurcharges.

FUSC Change

The Federal Universal Service Charge (FUSC) is a Verizon Wireless charge that is subject to change each calendar quarter based on contribution rates prescribed by the FCC. On July 1, the FUSC decreased to 10.06% percent of assessable wireless charges, other than separately billed interstate and international telecom charges. The FUSC on separately billed interstate and international telecom charges decreased to 31.8% percent. For more details, please call 1-888-684-1888

Need-to-Know Information

Explanation of Surcharges

Surcharges include (i) a Regulatory Charge (which helps defray various government charges we pay including government number administration and license fees); (ii) a Federal Universal Service Charge (and, if applicable, a State Universal Service Charge) to recover charges imposed on us by the government to support universal service; and (iii) an Administrative Charge, which helps defray certain expenses we incur, including: charges we, or our agents, pay local telephone companies for delivering calls from our customers to their customers; fees and assessments on our network facilities and services; property taxes; and the costs we incur responding to regulatory obligations. **Please note that these are Verizon Wireless charges, not taxes. These charges, and what's included, are subject to change from time to time.**

Bankruptcy Information

If you are or were in bankruptcy, this bill may include amounts for pre-bankruptcy charges. You should not pay pre-bankruptcy amounts; they are for your information only. In the event Verizon receives notice of a bankruptcy filing, pre-bankruptcy charges will be adjusted in future invoices. Mail bankruptcy-related correspondence to 500 Technology Drive, Suite 550, Weldon Spring, MO 63304.

Late Payment Information

A late payment applies for unpaid balances. The charge is the greater of $5 or 1.5% per month, or as permitted by law. Failure to pay bills on time may result in negative credit reporting.

Explanation of charges: The monthly Federal Universal Service charge is 31.80% of interstate and international telecom charges (varies quarterly). The monthly Regulatory charge is $ 0.16 per line for voice capable devices, or $0.02 per line for data only devices. The monthly Administrative Charge is $ 1.95 per line for voice capable devices, or $0.06 per line for data only devices. These are Verizon's charges, not taxes. Taxes, surcharges and other fees, such as e911 and gross receipt charges, can add between 20.00% and 96.00% to your monthly bill, and are added to your monthly access fees and airtime charges.

2 questions:

1) Did you get a phone for the ATLAS program?, and
2) Would you log into the 2nd Verizon account and print the bill for the hot spots? (Or, are they going to send a paper bill?)

thanks,

Explanation of charges: The monthly Federal Universal Service Charge is 31.80% of interstate and international telecom charges (varies quarterly). The monthly Regulatory Charge is $0.16 per line for voice capable devices, or $0.02 per line for data only devices. The monthly Administrative Charge is $1.95 per line for voice capable devices, or $0.06 per line for data only devices. These are Verizon' s charges, not taxes. Taxes, surcharges and other fees, such as E911 and gross receipt charges, can add between 20.00% and 96.00% to your monthly bill, and are added to your monthly access fees and airtime charges.

Need-to-Know Information

Explanation of Surcharges

Surcharges include (i) a Regulatory Charge (which helps defray various government charges we pay including government number administration and license fees); (ii) a Federal Universal Service Charge (and, if applicable, a State Universal Service Charge) to recover charges imposed on us by the government to support universal service; and (iii) an Administrative Charge, which helps defray certain expenses we incur, including: charges we, or our agents, pay local telephone companies for delivering calls from our customers to their customers; fees and assessments on our network facilities and services; property taxes; and the costs we incur responding to regulatory obligations. **Please note that these are Verizon Wireless charges, not taxes. These charges, and what's included, are subject to change from time to time.**

Bankruptcy Information

If you are or were in bankruptcy, this bill may include amounts for pre-bankruptcy charges. You should not pay pre-bankruptcy amounts; they are for your information only. In the event Verizon receives notice of a bankruptcy filing, pre-bankruptcy charges will be adjusted in future invoices. Mail bankruptcy-related correspondence to 500 Technology Drive, Suite 550, Weldon Spring, MO 63304.

More On Wireless Taxes And Surcharges

Your total charges for this month's bill cycle are $1283.45.
This includes charges for one or more bundled Verizon service plans that include voice, messaging, data, or other services for which you pay a monthly plan charge.
This bill cycle, your fixed monthly plan charges were $1277.42 (before applying any discounts or credits, and excluding other charges such as overage, late payment, taxes, Verizon surcharges, and equipment).
To accurately bill taxes and Verizon surcharges, we regularly look at past network usage by you and other customers with similar plans to allocate this fixed monthly plan charge among the services included in the bundle.
In this bill cycle, we have allocated this amount as follows: $66.73 for voice, $8.66 for messaging, $1202.03 for data, and $0.00 for other services.
For more information, please go to vzw.com/taxesandsurcharges.

Late Payment Information

A late payment charge applies for unpaid balances. The charge is the greater of $5 or 1.5% per month, or as permitted by law. Failure to pay bills on time may result in negative credit reporting.
