Section 6.3 - DEFINITION OF GRIEVANT: At any level of the grievance procedure, the grievant may request Association involvement in the grievance process. Henceforth all references to "grievant" shall be construed to mean the original initiator of the grievance procedure and, if requested, the Association. at any level. However, any individual employee or a group of employees may at any time present grievances to the Board and have them adjusted without the intervention of the Association as long as the adjustment is not inconsistent with the terms of this Agreement, provided that the Association has been given an opportunity to be present at such adjustment.

Section 6.4 - INFORMAL STEP: The parties hereto acknowledge that it is usually most desirable for a bargaining unit member and the supervisor immediately involved to resolve problems through free and informal communications. When requested by the grievant, the Association representative may accompany the grievant to assist in the informal resolution of the grievance. Section 6.5 - STEP ONE: The grievant may present the grievance in writing (within the twenty-day time period listed 6.1) to the supervisor immediately involved who will arrange for a meeting to take place within four (4) days after receipt of the grievance. The Superintendent shall arrange for a meeting with the grievant to take place within five (5) days of his receipt of the appeal. Each party shall have the right to include in its representation such witnesses as it deems necessary to develop facts pertinent to the grievance. Upon conclusion of the hearing the Superintendent shall have three (3) days in which to provide a written decision with reasons to the grievant. The purpose of this step is to try resolve the grievance.

Section 6.7 - STEP THREE: If the grievance is not resolved at Step Two, then the grievant shall refer the grievance to the Board of Education within six (6) days after receipt of the Step Two answer or within eight (8) days after the Step One meeting, whichever is the latter. The Superintendent shall arrange for a meeting with the grievant and the Board to take place within ten (10) school days of receipt of the appeal. Each party shall have the right to include in its representation such witnesses as it deems necessary to develop facts pertinent to the grievance. Upon conclusion of the hearing the Board shall have three (3) days in which to provide a written decision with reasons to the grievant. The purpose of this step is to try resolve the grievance.

Section 6.8 - STEP FOUR: If the Association/grievant is not satisfied with the disposition of the grievance at Step Three, the Association may submit the grievance to final and binding arbitration. The Demand for Arbitration must be filed with the Board within thirty (30) days of the Step Three decision. If the Association and Board cannot agree upon an arbitrator within seven (7) days of the Demand being filed, the Demand shall be submitted to the American Arbitration Association which shall act as the administrator of the proceedings. If a Demand for Arbitration is not filed with the Board within thirty (30) days, then the grievance shall be deemed withdrawn.

Section 6.9 - In all cases the Arbitrator shall be bound by the Voluntary Labor Arbitration Rules of the American Arbitration Association. However, upon mutual agreement of the parties, expedited (Streamlined Labor Arbitration Rules of the American Arbitration Association) may be used.

Section 6.10 - The fees and expenses of the Arbitrator shall be shared on an equal basis by the employer and the Association.

Section 6.11 - Unless agreed upon in advance, the party requesting a court reporter shall assume full responsibility for the expenses of the reporter. However, if both parties request a transcript, then the parties shall share the cost of the reporter.

Section 6.12 - Neither party shall be allowed to assert any new grounds or present information not previously disclosed to the other prior to arbitration at the arbitration hearing.

Section 6.13 - The Party requesting a postponement of an arbitration hearing shall bear all costs, if any, related to the postponement.

Section 6.14 - BYPASS: Upon written, mutual agreement of the parties, any step of the grievance procedure may be bypassed and the grievance brought directly to the next step.

Section 6.15 - Any grievance involving employees in more than one building or more than one immediate supervisor, may be initiated at Step Two.

Section 6.16 - INFORMATION: The Board, administration and the grievant shall cooperate in the investigation of any grievance, and further, they shall furnish information requested for the processing of any grievance.

Section 6.17 - NO REPRISAL: All parties involved in a grievance shall be free from restraints, coercion or reprisal.

Section 6.18 - PERSONNEL FILES: Grievance documents shall not be filed in the personnel folders maintained by the District Superintendent's office.

Section 6.19 - RELEASED TIME: Should the processing of any grievance at any level require that a grievant and/or grievance representative be given released time, the parties aforementioned shall be released without loss of pay or benefits. However, both parties agree to schedule such a meeting so as to minimize interference with the normal school program.

## **ARTICLE IX - VACANCIES, TRANSFERS AND PROMOTIONS**

Section 9.1 - FAMILY RELATIONSHIPS: For the best interests of the District and personnel involved, one member of a family shall not be put in the position of directly supervising another member of the family.

Section 9.2 - POSTING OF VACANCIES: The Superintendent shall have posted in all school buildings and shall send to the Association President a notice of all District vacancies as they occur. Such notice shall be accompanied by a statement of minimum qualifications and salary range. No such vacancy shall be filled except in case of emergency until such vacancy shall have been posted for at least five (5) school days. A bargaining unit member who is interested in this vacancy must apply at this time. During the summer vacation, a list of vacancies shall be emailed to the Association President. The vacancies will be posted

within the school district on or before the same time the vacancies are released to any news organization or placement facilities. Each semester, before vacancies are filled by contractual services for bargaining unit work, the board and MSEA will agree to the need to use contractual services.

Section 9.3 - VACANT POSITIONS: A vacant position shall be defined as a current or newly-created position that cannot be filled from among the members of the bargaining unit by one of the following methods:

- A. Employees returning from a leave of absence;
- B. Employees, by seniority, who are on layoff due to reduction in force;
- C. Employees who have been involuntarily transferred, as described in Article IX, Section 9.6.
- D. An employee who applies for a voluntary transfer pursuant to Section 9.4.

Section 9.4 - VOLUNTARY TRANSFER: Any employee wishing to change positions shall apply to that posting within the normal protocol for application and notify the supervising administrator in writing the request for a voluntary transfer. The administrator may request a current resume and/or a completed application in Applitrack. The qualified employees will be interviewed for the vacant position and no voluntary transfer shall be arbitrarily denied. If the administration denies a request for a voluntary transfer, the employee will be notified and if requested the reasons for the denial shall be provided to the employee in writing prior to the vacancy being filled.

Section 9.5 - CHANGE IN TEACHER ASSIGNMENT: No changes in the teacher's assignment may be made later than August 1, unless it is by teacher request or such a change is necessitated by emergency, i.e., a change in enrollment. Such a change shall be considered an involuntary transfer. In the case of an involuntary change after August 1, the Association and any teacher affected shall be notified in writing within five (5) calendar days of the knowledge of such a change and, upon the request of the teacher and/or the Association, the changes shall be promptly reviewed between the building principal and the teacher affected and a representative of the Association, if requested. In the event the review process does not resolve the issue to the mutual satisfaction of the parties involved, the dispute shall be subject to the grievance procedure, if the change is not in compliance with Section 9.6 of this Article.

Section 9.6 - INVOLUNTARY TRANSFERS:

Involuntary transfer means a change of the Employee from one position to another directed by the Administration rather than requested by the Employee. An involuntary transfer also occurs when there is a relocation of personnel within a building or to another building.

(Note: a "position" in the District is, for example, a 2nd Grade Teacher or a HS Math Teacher. This

is different from an “assignment” which is defined as what a teacher is assigned to teach - for example: two Algebra I classes and three Geometry classes at the high school. The procedure for an Involuntary Transfer would NOT need to be followed for a change in assignment, only for a change in position.)

In the event circumstances force changes in the teaching assignments of certified staff, the administrator will attempt to notify the Teacher(s) involved as soon as the need is determined. If direct contact cannot be made in five (5) days, a certified letter will be sent.

Procedures:

1. When it is necessary to transfer Employees, all qualified volunteers shall be considered first.
2. If no qualified volunteers emerge, the teacher with the least number of years of service will be transferred. However, the District may make an alternative choice if a clear and compelling need arises (shown through reasonable and just cause) due to one or more of the following criteria: the employee's (or employees') work performance/evaluation(s), teaching experience, needs of the District or educational background.
3. Any Employee subject to an Involuntary Transfer shall have the right to meet with the building administrator and the Superintendent along with a representative of the Association to discuss the transfer. The administrator must provide written documentation of the rationale for transfer during such meeting. Rationale may include but not limited to pupil distribution or instructional requirements. No transfer may take place until completion of such meeting.

Section 9.7 - JOB SHARING:

A. Purpose. Job sharing as defined in this article is a voluntary program providing two (2) teachers the opportunity to share one (1) full-time equivalent teaching position. No full-time equivalent positions will be eliminated in order to create job sharing positions.

B. Application Procedure. Participants in job sharing positions shall submit an application and proposed plan for a job-sharing leave to the Superintendent by February 1 of the year preceding the school year for which the leave is requested. The responsibilities of an assignment by the participants may be divided according to a plan designated by the participants, with the concurrence of the principal(s). The job-sharing plan shall include, but not be limited to, division of teaching responsibilities, schedule of work hours and/or days, in-service days, District meetings, open houses, parent conferences, field trips, and other teaching responsibilities. The Board of Education, at its discretion, may approve the job share application upon the recommendation of the Superintendent.

C. Salary Credit Allowable. Participants in job sharing positions shall be placed appropriately on the teachers' salary schedule and salaries shall be prorated according to the time worked. Contributions to the Teachers' Retirement System shall be prorated according to the time worked. Participants in job sharing positions shall receive salary step advancement at the start of the school year following the accumulation of the equivalency of one (1) year of full-time service.

D. Length of Leave. The length of job-sharing leave shall be for one (1) school year and may be extended for one (1) year by the Board if another request to renew is made by the participants in accordance with Section 9.7B. Participants in job sharing positions shall be considered on a leave of absence for that portion of the school work hours and/or days that they are not working. In the event one participant cannot complete a job-sharing plan due to illness or other emergency, the remaining participant shall have the option of completing the plan as a full-time teacher. If the participant declines and a part-time substitute cannot be retained, the Board retains the right to terminate the plan and hire a full-time substitute. The participants shall be placed on an unpaid leave of absence for the remainder of the school year.

E. Attendance at Required Meetings. The participants shall attend institute days, in-service days, staff meetings, parent-teacher conferences and open houses.

F. Years of Service. Teachers participating in the job-sharing program as set forth in this section shall accrue years of service in proportion to the time worked. The parties agree that a tenured teacher's participation in an approved job-sharing program will not affect the teacher's tenure status.

G. Insurance and Leave Benefits Availability. Participants in job sharing positions who work at least a Full-Time Equivalency of 50% or greater shall receive prorated fringe benefits and leave benefits at a rate equal to the participant's FTE. The cost to the Board shall not exceed one Full-Time Equivalent (FTE) teacher.

H. Return from Leave. Participants in a job-sharing program shall submit written notice of their request to return to full-time employment by February 1. All requests submitted by tenured teachers who would not otherwise be subject to reduction in force shall be granted. Requests submitted by non-tenured teachers shall be considered, but may or may not be granted. Upon return to full-time employment, a tenured teacher shall be returned to his or her former position, seniority permitting, if the position still exists, or to a comparable position.

## **ARTICLE X - REDUCTION IN FORCE**

### **Section 10.1 - TEACHING PERSONNEL:**

A. When the Board decides it is necessary to reduce the number of teaching positions in the District because of decreased enrollment, lack of funds, or other reasons, the employees who are subject to removal shall receive notice by certified mail as provided in school code before the end of the school term together with a statement of honorable dismissal and the reasons therefore.

B. BREAKING OF TIES: If two (2) or more teachers (or support staff employees) otherwise have the same first date of employment and are equally legally certified for the same position, the teacher (or support staff employee) with the lower average evaluation score from the past 3 evaluation cycles (if available) will be dismissed first.

C. RECALL RIGHTS: Recall rights shall be in effect from the date of termination through one (1) calendar year from the beginning of the next following school term. Length of continuing service all accumulated sick leave, and salary schedule position will be reinstated upon recall. Teachers will be eligible for recall in reverse order of termination and notified of recall by certified mail at their last known address on file in the District office. Teachers will be eligible for any vacant position for which they are qualified at the time of notice of vacancy. Teachers are required to inform the office of the Superintendent of any changes in their qualifications after the date of their termination. A teacher shall have ten (10) working days from the date of receiving the recall notice to respond to the recall offer.

D. Upon written request of an honorably-dismissed teacher, two weeks prior to the end of the school term, the employer shall pay to the teacher all compensation due to him/her within three (3) days of the last day of employment.

E. Length of Service List: By February 1 of each year, in consultation with the Association, the Board shall develop a years of service list, categorized by position, for posting in each building as per state statute. The list shall show the length of continuing service of each teacher who is qualified to hold any such position. A copy of the length of service list shall be provided to the Association President thirty (30) calendar days prior to posting. The Association shall have thirty (30) calendar days from February 1 to file exceptions to the list with the Superintendent.

## Section 10.2 - SUPPORT STAFF:

A. If the Board determines to reduce the number of support staff positions because of decreased enrollment, lack of funds or to discontinue a particular type of support staff service, the support staff employees who are subject to removal shall receive notice by certified mail at least thirty (30) days before the end of the school term, together with a statement of honorable dismissal and the reason therefore. The support staff employee with the shorter length of continuing service with the District, within the respective category of position, shall be dismissed first.

B. SENIORITY: For purposes of determining seniority among the support staff in the bargaining unit the following category of positions shall be applicable:

Paraprofessionals (including all Aides and Library Assistants)

Seniority shall be defined as the length of continuous service within District #3, measured from the first day of employment within the District. Seniority does not accrue during an unpaid leave of absence longer than ninety (90) days. However, such leave shall not interrupt continued service status. Seniority accrual shall not be interrupted by a paid leave, sick leave, or forced leave because of on-the-job injury. Loss of seniority will result from resignation, dismissal for cause, or retirement.

C. BREAKING OF TIES: If two (2) or more support staff employees otherwise have the same total length of service and are equally qualified for the same position, the employee with the lower average evaluation score from the past 3 evaluation cycles (if available) will be dismissed first.

D. RECALL RIGHTS: Recall rights shall be in effect from the date of termination through one (1) calendar year from the beginning of the next following school term. Seniority, all accumulated sick leave, and salary schedule position will be reinstated upon recall. Support staff will be eligible for recall in reverse order of termination and notified of recall by certified mail at their last known address on file in the District office. Support staff will be eligible for any vacant position for which they are certified at the time of notice of vacancy. However, any material evaluative in nature which has not been reduced to writing within thirty (30) calendar days following the event or occurrence may not be added to the file. Any materials not contained in the employee's personnel file may not be used to evaluate or discipline the employee in any manner.
- B. The employee shall submit a written request to inspect his/her personnel records to the Superintendent or the Superintendent's designee.

This checklist will be dated and signed by both the employee and the administrative staff member and remain in the file. Within thirty (30) days following the date any material of a non-routine nature is entered into the employee's personnel file, the employee shall be notified of such inclusion and shall have the right to respond, with such response being attached to the file.

L. The Board has policies and rules and regulations which elaborate on the management of personnel files consistent with state law. These policies and rules and regulations will not conflict with this Article.
