Asbestos Management Plan

An inspection has been made of the Unit 3 school buildings for asbestos-containing material. Locations of this material have been identified and a plan to manage the asbestos condition has been developed to keep it in a good contained condition. This plan calls for the surveillance of the material by the asbestos responsible person as designated by the Board of Education every six months and for re-inspection at the end of three years. The plan is available for review at the Administrative Center during office hours.

M-S Jr. High (6 – 8)	8:30-3:22
Lincoln Trail (3 - 5)	8:10-2:40

Middletown Prairie (Pre-K)	8:00-10:30 and 12:00-2:30

Attendance Policy

When a student will be absent from school, a parent or guardian is expected to call or enter into Skyward and report the absence and reason for the absence within a reasonable amount of time. If a call has not been made to the school by 10:00 a.m. on the day of a student's absence, an automated Skyward call will go out notifying the student's parent/guardian of the absence. If the school does not hear from the parents or guardians the absence will be marked unexcused.

After nine days, the school will send a letter to inform the student and their family of the status of their child's attendance. At that point, the administration will determine if further absences will be excused.

Excused Absences Include:

1. Illness and medical appointments with a doctor's note (including up to 5 days per school year for the mental or behavioral health of the student)
2. Observance of a religious holiday or event
3. Death in the immediate family
4. Family emergency
5. Circumstances that cause reasonable concern to the parent/guardian for the student's mental, emotional, or physical health or safety
6. Attending a military honors funeral to sound TAPS
7. Attend a civic event
8. Cases, where the student's parent/guardian is an active duty member of the uniformed services and has been called to duty, is on leave from, or has immediately returned from deployment to a combat zone or combat-support postings (up to 5 days).
9. School Events
10. Court Appearances with written documentation from court officials
11. Students eligible to vote are also excused for up to two hours to vote in a primary, special, or general election.
12. Other reasons as approved by the building administration

While it is understood that in unusual circumstances, it may be necessary for students to be absent from school due to family travel, Mahomet-Seymour staff strongly discourages student absences for family vacations or travel. Teacher/student and student/student class interaction, as well as in-class instruction, is a very important part of the educational process that cannot be replicated outside of the classroom.

We may use or request the following interventions to improve attendance after 9 days:

- Student Meeting

- Parent Meeting/Contact home
- Required doctor's note to excuse illnesses
- Staff or Social Work check-ins
- Home visit
- Youth Assessment Center referral (JH and HS)
- Referral to Attendance Improvement Program through the Regional Office of Education (for chronic absenteeism and for chronic truancy or for patterns that indicate a student is establishing poor attendance)
- Other disciplinary measures
- Referral to Family Engagement Specialist

After the 9th and 18th absences, the school will send a letter to inform the student and their family of the status of their child's attendance. At 18 absences, the student will be considered *Chronically Absent* by the definition provided by the state.

If a child is absent from school without validation from the parent/guardian, the school district will make a reasonable attempt to contact the parent/guardian by phone.

Definitions

Chronic absenteeism: If a student is absent for ANY reason for 10% (18 days) in a school year, he/she is considered to be chronically absent.

Chronic truancy: If a student is absent without valid cause for 5% (9 days) in a school year, he/she is considered to be chronically truant. Chronic truancy is a violation of the state compulsory attendance law. This data is reported to the Illinois State Board of Education for inclusion on the Illinois School Report Card.

Birth Certificates

Parents who are registering their child for the first time in the District must present a certified birth certificate. This is the certificate on file with the county clerk in the county in which the child was born. According to the Missing Children Records Act (325 ILCS 50/5) a pupil must provide a certified copy of his or her birth certificate to the school district within 30 days of enrollment.

Board Policy

For reference to Board Policy not covered here, please see the Board Policy Manual on the District website (www.mahometseymour.org) and in the Office of the Superintendent. Policies are continually updated and revised, and the District welcomes input from parents and community members.

Breakfast and Lunch Programs

Mahomet-Seymour school meals are planned to meet federal guidelines. Hot breakfasts and lunches are available for children in grades K-12. Meal accounts can be replenished through Skyward Family Access. For grades K-5, the breakfast price is \$1.65 and the lunch price is \$2.20. For grades 6-12, the breakfast price is \$1.75 and the lunch price is \$2.40. The milk price without a meal is \$.40 per carton.

Mahomet-Seymour encourages all parents to complete the free/reduced lunch application. Depending on the income guidelines set by the Federal government each year, your child(ren) may qualify for free meals or meals at a reduced price. The preferred method for completion of the free and reduced lunch application is through Skyward Family Access. Applications are also available in the school offices and online at the District website (www.mahometseymour.org). Families must apply every year and meet the income guidelines set up by the federal government.

Child Abuse

According to Illinois law, a staff member who has reasonable cause to suspect that a student may be an abused or neglected child shall report such a case to the Department of Children and Family Services. The DCFS phone number is 1-800-25-ABUSE (1-800-252-2873). (Traditional considerations of confidentiality shall not constitute grounds for failure to report such cases.

Abuse and neglect are defined by Illinois law but may generally be understood as follows:

1. Abuse is any physical or mental injury or sexual abuse inflicted on a child other than by accidental means by a person who is responsible for the child's health and welfare.
2. Neglect is abandoning a child, subjecting a child to an environment injurious to his/her welfare, or failing to provide the proper support, education, medical, or remedial care required by law by one who is responsible for the child's welfare.

Contacting Teachers During School Hours

Teachers in each building are available thirty minutes before and thirty minutes after student attendance hours. At other times, a message may be left with the school secretary.

Crisis Plan

In collaboration with the Mahomet Police Department and other community officials, the District has developed a Crisis Plan to keep your child safe while at school. In the event of an emergency, please stay informed through various media sources and phone messages sent from the Emergency Notification System (Skylert). **PLEASE DO NOT CONTACT YOUR CHILD'S SCHOOL.** If you are asked to pick up your child, you will be required to show a photo I.D. in order for your child to be released.

District Hours

Offices in all buildings are staffed from 7:30 a.m. to 4:00 p.m. There are limited summer office hours for the schools; please call to check their summer schedules. The Administrative Center is open from 7:30 a.m. – 4:00 p.m. over the summer. All buildings are closed during Holiday and Spring Breaks.

Early Dismissal Days

Early Dismissal days are a rearrangement of School Improvement days from previous years. ***On these days, students will be dismissed two hours earlier than normal, and are required to leave the building.*** Please see the school calendar on the District website for the Early Dismissal days. (www.mahometseymour.org)

Emergency Notification System (Skylert)

To enhance communications between parents and schools, Mahomet-Seymour Schools have instituted a telephone, email and Twitter broadcast system that will enable school personnel to notify all households and parents by phone within minutes of an emergency or an unplanned event that causes early dismissal or school cancellation. This service is provided by Skylert, and is a part of the Skyward System. Mahomet-Seymour Schools will continue to report school closings due to snow or weather on local radio and TV stations in addition to the Skylert System. The Skylert system will be used as an overlay to the public announcements.

When used, the service will simultaneously call all listed phone numbers in our parent contact list and will deliver a recorded message from the Superintendent or another school administrator. The service will deliver the message to both live-answer and answering machines. The Caller ID will display 217/586-4995 which is the Superintendent's Office number for Mahomet-Seymour Schools.

All information and contact numbers are strictly secure and confidential and are only used for the purposes described. **If you have changes to your student's contact information, please make changes in Skyward as soon as possible.**

Employee Code of Professional Conduct

All District employees are expected to maintain high standards in their job performance, demonstrate integrity and honesty, be considerate and cooperative, and maintain professional and appropriate relationships with students, parents/guardians, staff members, and others.

The Superintendent or designee shall provide this policy to all District employees and students and/or parents/guardians in their respective handbooks, and ensure its posting on the District's website, if any.

Professional and Appropriate Conduct

Professional and appropriate employee conduct are important Board goals that impact the quality of a safe learning environment and the school community, increasing students' ability to learn and the District's ability to educate. To protect students from sexual misconduct by employees, and employees from the appearance of impropriety, State law also recognizes the importance for District employees to constantly maintain professional and appropriate relationships with students by following established expectations and guidelines for employee-student boundaries. Many breaches of employee-student boundaries do not rise to the level of criminal behavior but do pose a potential risk to student safety and impact the quality of a safe learning environment. Repeated violations of employee-student boundaries may indicate the grooming of a student for sexual abuse. As bystanders, employees may know of concerning behaviors that no one else is aware of, so their training on: (1) preventing, recognizing, reporting, and responding to child sexual abuse and grooming behavior; (2) this policy; and (3) federal and state reporting requirements is essential to maintaining the Board's goal of professional and appropriate conduct.

The Superintendent or designee shall identify employee conduct standards that define appropriate employee-student boundaries, provide training about them, and monitor the District's employees for violations of employee-student boundaries. The employee conduct standards will require that, at a minimum:

1. Employees who are governed by the Code of Ethics for Illinois Educators, adopted by the Ill. State Board of Education (ISBE), will comply with its incorporation by reference into this policy.
2. Employees are trained on educator ethics, child abuse, grooming behaviors, and employee-student boundary violations as required by law and policies 2:265, Title IX Sexual Harassment Grievance Procedure; 4:165, Awareness and Prevention of Child Sexual Abuse and Grooming Behaviors; 5:90, Abused and Neglected Child Reporting; and 5:100, Staff Development Program.
3. Employees maintain professional relationships with students, including maintaining employee-student boundaries based upon students' ages, grade levels, and developmental levels and following District-established guidelines for specific situations, including but not limited to:
 - a. Transporting a student;
 - b. Taking or possessing a photo or video of a student; and
 - c. Meeting with a student or contacting a student outside the employee's professional role.
4. Employees report prohibited behaviors and/or boundary violations pursuant to Board policies 2:260, Uniform Grievance Procedure; 2:265, Title IX Sexual Harassment Grievance Procedure; and 5:90, Abused and Neglected Child Reporting.

5. Discipline up to and including dismissal will occur for any employee who violates an employee 5:120 5:120 1 of 4 conduct standard or engages in any of the following:

- a. Violates expectations and guidelines for employee-student boundaries.
- b. Sexually harasses a student.
- c. Willfully or negligently fails to follow reporting requirements of the Abused and Neglected Child Reporting Act (325 ILCS 5/), Title IX of the Education Amendments of 1972 (20 U.S.C. §1681 et seq.), or the Elementary and Secondary Education Act (20 U.S.C. § 7926).
- d. Engages in grooming as defined in 720 ILCS 5/11-25.
- e. Engages in grooming behaviors. Prohibited grooming behaviors include, at a minimum, sexual misconduct. Sexual misconduct is any act, including but not limited to, any verbal, nonverbal, written, or electronic communication or physical activity, by an employee with direct contact with a student, that is directed toward or with a student to establish a romantic or sexual relationship with the student. Examples include, but are not limited to:
 - i. A sexual or romantic invitation.
 - ii. Dating or soliciting a date.
 - iii. Engaging in sexualized or romantic dialog.
 - iv. Making sexually suggestive comments that are directed toward or with a student.
 - v. Self-disclosure or physical exposure of a sexual, romantic, or erotic nature.
 - vi. A sexual, indecent, romantic, or erotic contact with the student.

Statement of Economic Interests

The following employees must file a Statement of Economic Interests as required by the Ill. Governmental Ethics Act:

1. Superintendent;
2. Building Principal;
3. Head of any department;
4. Any employee who, as the District's agent, is responsible for negotiating one or more contracts, including collective bargaining agreement(s), in the amount of \$1,000 or greater;
5. Hearing officer;
6. Any employee having supervisory authority for 20 or more employees; and

Ethics and Gift Ban

Board policy 2:105, Ethics and Gift Ban, applies to all District employees. Students shall not be used in any manner for promoting a political candidate or issue.

Prohibited Interests; Conflict of Interest; and Limitation of Authority

In accordance with 105 ILCS 5/22-5, "no school officer or teacher shall be interested in the sale, proceeds, or profits of any book, apparatus, or furniture used or to be used in any school with which such officer or teacher may be connected," except when the employee is the author or developer of instructional materials listed with ISBE and adopted for use by the Board. An employee having an interest in instructional materials must file an annual statement with the Board Secretary.

For the purpose of acquiring profit or personal gain, no employee shall act as an agent of the District 5:120 5:120 2 of 4 nor shall an employee act as an agent of any business in any transaction with the District. This includes participation in the selection, award, or administration of a contract supported by

a federal award or State award governed by the Grant Accountability and Transparency Act (GATA) (30 ILCS 708/) when the employee has a real or apparent conflict of interest. A conflict of interest arises when an employee or any of the following individuals has a financial or other interest in or a tangible benefit from the entity selected for the contract:

1. A member of the employee's immediate family;
2. An employee's partner; or
3. An entity that employs or is about to employ the employee or one of the individuals listed in one or two above.

Employees shall neither solicit nor accept gratuities, favors, or anything of monetary value from contractors, potential contractors, or parties to agreements or subcontracts. Situations in which the interest is not substantial or the gift is an unsolicited item of nominal value must comply with State law and Board policy 2:105, Ethics and Gift Ban.

Guidance Counselor Gift Ban

Guidance counselors are prohibited from intentionally soliciting or accepting any gift from a prohibited source or any gift that would be in violation of any federal or State statute or rule. For guidance counselors, a prohibited source is any person who is (1) employed by an institution of higher education, or (2) an agent or spouse of or an immediate family member living with a person employed by an institution of higher education. This prohibition does not apply to:

1. Opportunities, benefits, and services available on the same conditions as for the general public.
 2. Anything for which the guidance counselor pays market value.
 3. A gift from a relative.
 4. Anything provided by an individual on the basis of a personal friendship, unless the guidance counselor believes that it was provided due to the official position or employment of the guidance counselor and not due to the personal friendship. In determining whether a gift is provided on the basis of personal friendship, the guidance counselor must consider the circumstances in which the gift was offered, including any of the following:
 - a. The history of the relationship between the individual giving the gift and the guidance counselor, including any previous exchange of gifts between those individuals.
 - b. Whether, to the actual knowledge of the guidance counselor, the individual who gave the gift personally paid for the gift or sought a tax deduction or business reimbursement for the gift.

 6. Any item(s) during any calendar year having a cumulative total value of less than \$100.
 7. Promotional materials, including, but not limited to, pens, pencils, banners, posters, and pennants. A guidance counselor does not violate this prohibition if he or she promptly returns the gift to the prohibited source or donates the gift or an amount equal to its value to a 501(c)(3) tax-exempt charity.
- 5:120 5:120 3 of 4 Outside Employment Employees shall not engage in any other employment or in any private business during regular working hours or at such other times as are necessary to fulfill appropriate assigned duties.

Erin's Law

Each year, students in grades Pre-K-5 will participate in sexual abuse education, as required by the state of Illinois under "Erin's Law", Public Act 96-1524. Erin's Law is prevention based and provides valuable information to students, in developmentally appropriate ways. Lessons will be provided by the

building social worker, with the classroom teacher present as well.

Students in grades 6-12 are required to have information on teen dating violence, as well. This instruction is provided through Health Class in grades 6-9 as part of their Health curriculum. Students in grades 10-12 will be provided information during advisory, by the school social worker, the health teacher or another certified staff member.

Additionally, the law requires that all district staff be trained regarding sexual abuse and, for secondary teachers, teen dating violence. Training includes recognizing and reporting suspected child sexual abuse, how to respond to and support students who have been abused and strategies to support a safe and supportive school environment. All district employees are also mandated reporters of suspected child abuse, per state law, and undergo annual training for that as well that is to be completed by January 31 of each year.

Fees – Waivers

Students will not be denied educational services or academic credit due to the inability of parents or guardians to pay fees and charges. Students whose parents are unable to afford student fees may receive a waiver of textbook fees. However these students are not exempt from charges for loss of and damages to books, materials, supplies, and equipment.

Applications for textbook fee waivers are available from the building principal's office, at registration, or on the District website (www.mahometseymour.org), and may be submitted by a parent/guardian of a student who has been assessed fees. If the waiver application is filed after September 30, parents/guardians shall be notified within ten (10) days of the acceptance or denial of their application. If an application is rejected, a reason will be stated. Parents may appeal the decision. Applications may be filed at any time during the year although textbook waivers are pro-rated after September 30. Families must apply for textbook fee waivers **each** school year.

Field Trips

A field trip in Mahomet-Seymour CUSD #3 Schools is a school project involving a student group accompanied by a teacher engaging in an educational study. Field trips are carefully planned and coordinated with classroom instruction and are evaluated after the trip has been taken. The classroom teacher and volunteer parents supervise them. Written permission for each student to attend is required. All volunteers will undergo the appropriate screening based on the school activity(ies) for which he/she volunteers.

Food Allergy Plan

All food services (i.e., hot lunch) in the Mahomet-Seymour School District are "nut free." Peanut butter sandwiches will be replaced with SunButter[®] and jelly sandwiches, and are offered on lunch menus and items containing nut products will not be served. Cafeteria seating in every building will be organized to minimize potential nut allergen contact. Teachers will be notified of students with severe food allergies. This will enable teachers to control the types of snacks provided in their classrooms. Parents are encouraged to choose an alternative form of protein or snack to send to school with their children that does not contain peanuts or other nut products. Some suggested protein alternatives include SunButter[®] Sunflower Seed Spread, SoyNut[®] Butter, hard-boiled eggs, or yogurt.

Freedom of Information

The Freedom of Information Act (FOIA) of Illinois makes all school records open to public inspection and copying except where:

1. other statutes expressly forbid public access (such as certain information about individual students) or
2. a requested record falls under one of the exemptions provided by the FOIA.

Information on the Freedom of Information Act can be found in Board Policy 2:250. The Board Policy can be found on the District website. (www.mahometseymour.org)

Harassment of Students Prohibited

No person, including a District employee or agent, or student, shall harass, intimidate or bully a student based on the basis of actual or perceived: race; color; nationality; sex; sexual orientation; gender identity; gender-related identity or expression; ancestry; age; religion; physical or mental disability; order of protection status; status of being homeless; actual or potential marital or parental status, including pregnancy; association with a person or group with one or more of the aforementioned actual or perceived characteristics; or any other distinguishing characteristic. The District will not tolerate harassing, intimidating conduct, or bullying whether verbal, physical, or visual, that affects the tangible benefits of education, that unreasonably interferes with a student's educational performance, or that creates an intimidating, hostile, or offensive educational environment. Examples of prohibited conduct include name-calling, using derogatory slurs, stalking, causing psychological harm, threatening or causing physical harm, threatened or actual destruction of property, or wearing or possessing items depicting or implying hatred or prejudice of one of the characteristics stated above.

Students who believe they are victims of harassment are encouraged to discuss the matter with the student Nondiscrimination Coordinator (Superintendent Dr. Kenny Lee, 586-2161), Building Principal, Assistant Building Principal, or a Complaint Manager Nathan Mills or Christine Northrup, 586-2161).

There is also an option to complete the "[Bullying, Harassment, or Intimidation Reporting Form](#)" found on the district website.

For further information, see Board Policy 7:20 (Harassment of Students Prohibited) and Policy 7:180 (Preventing Bullying, Intimidation, and Harassment).

Insurance

CUSD #3 does not offer student insurance but does provide information about insurance coverage on the District webstore. Questions about coverage should be directed to the insurance company rather than to the schools. The current provider is Markel Insurance Company. Their Customer Service Department can be reached at 877/444-5014 or Markel.info@sevencorners.com.

Junior high and high school students involved in intramural or interscholastic sports, including cheerleading, are required to either purchase the current school accident insurance or provide proof of personal coverage. A Parent Permission & Insurance Verification Form for Athletes must be completed by all athletes. The form is available on the District website or in the Jr. High and High School offices.

Medical Protocol Guidelines

All students with diagnosed medical conditions that might require intervention while at school must have a medical protocol on file with the student's building and with the school nurse.

Parents or guardians of those students must meet with the school nurse and any other staff deemed necessary by the building principal prior to the student beginning school. A medical protocol will be

established to meet individual student's needs based upon information provided by the parents/guardians. Physician documentation of the condition and any necessary treatments may be required.

Staff will initiate treatment of the student's condition as per the medical protocol. If the protocol includes parameters, such as high or low blood sugar values for diabetic students, staff must be able to maintain or return the student's values to within the set parameters in one hour or less. If protocol led intervention does not correct the situation within one hour, the parent/guardian will be alerted to come and pick the student up from school until the parameters are regained.

If staff are unable to reach the parent/guardian by phone, or if the parent/guardian is unavailable to pick the student up from school immediately, emergency procedures will be initiated, beginning with a 911 call to have the student transported to the hospital.

Medical - Student Illness Guidelines

Parents will be notified if their student becomes ill at school. When in doubt about your student's health, please keep the student at home. Students should not be sent to school if any of these symptoms are present:

- Fever above 100.5
- Sore throat with fever or swollen glands
- Consistent coughing with pain or fever
- Vomiting/nausea
- Diarrhea

Children may return to school after 24 hours on antibiotic for a diagnosed contagious illness or 24 hours after fever, vomiting or diarrhea subside. Precautions in these areas are meant to protect your child and others.

Health problems such as diabetes, epileptic seizures, allergies, breathing difficulties, etc., must be reported to the District nurse and the teacher when the child is enrolled in school.

Medication Policy (Board Policy 7:270)

Students should not take medication during school hours or during school-related activities unless it is necessary for a student's health and well-being. When a student's licensed health care provider and parent/guardian believe that it is necessary for the student to take a medication during school hours or school-related activities, the parent/guardian must request that the school dispense the medication to the child and otherwise follow the District's procedures on dispensing medication.

No School District employee shall administer to any student, or supervise a student's self-administration of, any prescription or non-prescription medication until a completed and signed "School Medication Authorization Form" is submitted by the student's parent/guardian. No student shall possess or consume any prescription or non-prescription medication on school grounds or at a school-related function other than as provided for in this policy and its implementing procedures.

Nothing in this policy shall prohibit any school employee from providing emergency assistance to students, including administering medication.

Medication Administration Procedures

The following procedures will apply to the Districts policy on Administering Medications to Students:

1. The school will only administer prescribed medication necessary for management of diagnosed long-term, chronic illness or disability and ADD/ADHD.

- a. **Antibiotics and over the counter drugs such as Tylenol, Ibuprofen, cough medicine, etc., given for acute, intermittent illness, will NOT be administered by school staff.**
2. Before any prescription or long-term over the counter medication will be given at school, a School Authorization for Medication form **MUST** be completed and signed by both prescribing physician and parents/guardians annually, and be on file in the school office. See #6 below for self-administration/Exception policy on long-term non-prescription medication.
3. All oral prescription medications that are prescribed to be taken during the school day **must** be brought into the school office, in the original container, by a parent or legal guardian. The medication must be handed to the secretary and parents/guardians must then sign the Medication Refill Sign-in Sheet located in the school office. **No Exceptions!**
4. All oral prescription medications must be taken in the office, in clear view of the person administering the medication. Exceptions to this will be determined on a case by case basis by the District Nurse and the building administrator. Exceptions may include, but are not limited to: Prescriptions, such as digestive enzymes, for students diagnosed with Cystic Fibrosis or other disease processes which directly impact their activities of daily living.
5. The School Nurse or administrator's designee will return any unused prescription medication to only the parent/guardian at the end of the school year.
6. If your student has a diagnosed condition, such as migraines, that requires long term or chronic need for non-prescription medication that they will self-administer, the parent and diagnosing physician or the District Nurse must sign an Exceptions to Medication form. Medications must be kept in an original, labeled container, and should contain no more than 1 day's dosage of medication; the student must also keep a copy of the Exceptions form with the medication. If the student is unable to self-administer/manage the medication, a School Authorization for Medication form must be completed by the diagnosing/prescribing physician for the medication to be kept in the school office. (see #2 above) The District Nurse and/or principal's designee will retain the discretion to reject requests that do not meet the medication policy.

Non-custodial Parent Rights

District policy and state law provide for informing non-custodial parents of the progress of their children in school unless a court order exists preventing such action. A copy of any court order prohibiting contact with children or access to information about them should be filed with the building principal.

The Superintendent shall prepare disciplinary rules implementing the District's disciplinary policies. These disciplinary rules shall be presented annually to the Board for its review and approval.

Parent/Teacher Conferences and School Visitation Rights

Parent/Teacher conferences are held twice every school year: once in the fall and once in the spring. The purpose of these conferences is for the classroom teacher to review student progress with parents and/or guardians of every student in the school. Parents also have an opportunity to share their concerns regarding their child's performance in school.

The School Visitation Rights Act permits employed parents/guardians, who are unable to meet with educators because of a work conflict, the right to time off from work under certain conditions to attend necessary school functions such as parent-teacher conferences, academic meetings and behavioral meetings. Letters verifying participation in this program are available from the school office upon request.

Parental Involvement Opportunities

The Mahomet-Seymour Schools believe that parental involvement is critical to the successful education of every child. Therefore, numerous opportunities for parental involvement are the hallmark of the Mahomet-Seymour Schools. Listed below are just some of the organizations, committees, and groups that parents may join. For additional information on any of these groups contact any school or district administrator.

1. High School Music Boosters
2. High School Athletic Boosters
3. Elementary P.T.O. (Grades Pre-K through 5th)

Pesticide Application Registry Notice

Mahomet-Seymour CUSD #3 practices Integrated Pest Management, a program that combines preventive techniques, non-chemical pest control methods, and the appropriate use of pesticides with a preference for products that are the least harmful to human health and the environment. The term "pesticide" includes insecticides, herbicides, rodenticides, and fungicides. The District notifies all parents by email before pesticide applications at the schools. To receive this, and other District email notifications, provide a valid email address to your child's school office.

Physicals, Dental & Eye Exams, and Immunizations

All students entering pre-school, kindergarten, sixth, and ninth grades, and all students new to the district must have physicals and proof of immunizations for diphtheria, tetanus, pertussis, mumps, measles (rubella), German measles, chicken pox, Hepatitis B and pneumonia. All students in the 6th grade and above must also provide proof of having received a Tdap vaccine and Meningococcal with a booster at grade 12. A physical examination must be completed within one year prior to registering your child into the above grades.

Children enrolling in kindergarten and any student enrolling in a public or private school for the first time are required to have an eye examination. The exam must be conducted by an optometrist or ophthalmologist and must include history, visual acuity, subjective refraction to best visual acuity near and far, internal and external examination, and a glaucoma evaluation, as well as any other tests or observations that in the professional judgment of the doctors are necessary.

All children in kindergarten, second, sixth and ninth grades must present proof of having been examined by a licensed dentist before May 15 of the current school year in accordance with rules adopted by the Illinois Department of Health. Dental exam forms are available in the school offices or on the District website. *If the completed form is not on file with the school by May 15th, the school can withhold the student's year-end report card.*

Students entering the Mahomet-Seymour District for the first time will have 30 days from the date of enrollment to provide proof of the required examination and immunization. If the previous school does not send the physical and immunizations with the records, it is the responsibility of the parents or guardians to obtain these documents.

Physical, eye, and dental forms are available in the school offices, at the Administrative Center (1301 S. Bulldog Dr.), or online at the District website (www.mahometseymour.org).

English Learners Programs

Mahomet-Seymour Schools provides English learners opportunity for growth through a Transitional Program of Instruction. Students learning English as an additional language often need support to develop oral language and literacy skills. The English Language Learner teacher provides instruction in these areas utilizing small groups or one-on-one support inside the general education classroom. ELL plans are provided for each student that outline potential classroom accommodations. The ELL plans and teacher instruction are combined to help develop English language proficiency while meeting grade level achievement standards.

Parents/Guardians of English Learners assist the district in identifying their English learner by completing the home language survey provided at registration.

After Identification Parents/Guardians Are:

- Notified of their student's entry or exit from English Learner status
- Invited to participate in the English Language Learner planning process
- Informed on how they can be involved in the education of their student

For questions related to this program contact the Assistant Superintendent at 217-586-2161.

Questioning of Students Suspected of Committing Criminal Activity

Before a law enforcement officer, school resource officer, or other school security person detains and questions on school grounds a student under 18 years of age who is suspected of committing a criminal act, the building principal or designee will: (a) Notify or attempt to notify the student's parent/guardian and document the time and manner in writing; (b) Make reasonable efforts to ensure the student's parent/guardian is present during questioning or, if they are not present, ensure that a school employee (including, but not limited to, a social worker, psychologist, nurse, guidance counselor, or any other mental health professional) is present during the questioning; and (c) If practicable, make reasonable efforts to ensure that a law enforcement officer trained in promoting safe interactions and communications with youth is present during the questioning.

Students are prohibited from accessing and/or distributing at school or any school related activities any written or electronic material, including material from the internet that (1) is obscene, pornographic, lewd or vulgar; (2) has the purpose of harassing or bullying another student or staff member; (3) otherwise causes substantial disruption at school or school sponsored activities.

A student engages in gross disobedience and misconduct and may be disciplined for creating, distributing or accessing written or electronic materials, including but not limited to Facebook pages or any other social networking sites or internet blogs, which cause substantial disruption to school operations or interferes with the rights of other students or staff members.

For further information, see Board Policy 7:310 (Restrictions on Publications and Written or Electronic Material) and Board Policy 7:190 (Student Discipline).

Rights of Homeless Students

The school district shall provide an educational environment that treats all students with dignity and respect. Every homeless student shall have equal access to the same free and appropriate educational opportunities as students who are not homeless. This commitment to the educational rights of homeless children, youth, and youth not living with a parent or guardian, applies to all services, programs, and activities provided or made available.

A student is considered "*homeless*" if he or she is presently living:

- In a shelter or sharing housing with relatives or others due to lack of housing;
- In a motel/hotel, camp ground, or similar situation due to lack of alternative, adequate housing;
- At a train or bus station, park, in a car, or in an abandoned building;
- Temporarily housed while awaiting DCFS foster care placement.

All homeless students have rights to:

- **Immediate school enrollment.** A school must immediately enroll students even if they lack health, immunization or school records, proof of guardianship, or proof of residency.
- **Enroll in:**
 - The school he/she attended when permanently housed (school of origin)
 - The school in which he/she was last enrolled (school of origin)
 - Any school that non-homeless students living in the same attendance area in which the homeless child or youth is actually living are eligible to attend.
- **Remain** enrolled in his/her selected school for as long as he/she remains homeless or, if the student becomes permanently housed, until the end of the academic year.
- **Priority** in certain preschool programs.

- **Participate** in a tutorial-instructional support program, school-related activities, and/or receive other support services.
- **Obtain** information regarding how to get fee waivers, free uniforms, and low-cost or free medical referrals.
- **Transportation services:** A homeless student attending his/her school of origin has a right to transportation to go to and from school of origin as long as (s)he is homeless or, if the student becomes permanently housed, until the end of the academic year.

Additional information can be found in the McKinney-Vento Act, 42 U.S.C. 11431 and the Illinois Education for Homeless Children Act, 105 ILCS 45/1-1.

Search and Seizure/Student Searches/Seizure of Property

In order to maintain order safety and security in the schools, school authorities are authorized to conduct reasonable searches of school property and equipment, as well as of students and their personal effects. "School authorities" includes school liaison police officers.

School authorities may inspect and search school property and equipment owned or controlled by the school (such as lockers, desks, and parking lots), as well as personal effects left there by a student, without notice to or the consent of the student. Students have no reasonable expectation of privacy in these places or areas or in their personal effects left there.

The building principal may request the assistance of law enforcement officials to conduct inspections and searches of lockers, desks, parking lots, and other school property and equipment for illegal drugs, weapons, or other illegal or dangerous substances or materials, including searches conducted through the use of specially trained dogs.

School authorities may search a student and/or the student's personal effects in the student's possession (such as, purses, wallets, knapsacks, book bags, lunch boxes, etc.) when there is a reasonable ground for suspecting that the search will produce evidence the particular student has violated or is violating either the law or the school or district's student rules and policies. The search will be conducted in a manner that is reasonably related to its objective of the search and not excessively intrusive in light of the student's age and sex, and the nature of the infraction.

School officials may require a student to cooperate in an investigation if there is specific information about activity on the student's account on a social networking website that violates the school's disciplinary rules or school district policy. In the course of the investigation, the student may be required to share the content that is reported in order for the school to make a factual determination. School officials may not request or require a student or his or her parent/guardian to provide a password or other related account information to gain access to the student's account or profile on a social networking website.

If a search produces evidence that the student has violated or is violating either the law or the school or district's policies or rules, evidence may be seized and impounded by school authorities, and disciplinary action may be taken. When appropriate, evidence may be transferred to law enforcement authorities.

Sex Offender Registration Act

Public Act 94-0994, which was passed by the State of Illinois General Assembly, amends the **Sex Offender Registration Act** and requires school districts to notify parents that information about sex offenders is available to the public as provided for in the Act. The web site for the **Illinois Sex Offender Registry** is: <http://www.isp.state.il.us/sor/>. To view a map of registered sex offenders, please go to: <http://www.familywatchdog.us/>.

Sexual Harassment Policy

The Board of Education and Mahomet-Seymour Administrators believe that students have a right to be free from harm perpetuated by antisocial acts while attending school. To that end, the District has approved a sexual harassment policy as related to students. For the complete Board Policy regarding harassment of students, see Policy 7:20 and 7:180 of the Board Policy Manual on the District website (www.mahometseymour.org).

Students should report unwelcome activities of a sexual nature directed toward them to a building administrator or to a Complaint Manager. The two Complaint Managers are:

1. Christine Northrup, Director of Special Education, 586-2161
2. Nathan Mills, Jr. High School Principal, 586-4415

Special Education

The Mahomet-Seymour Unit 3 Schools offer a comprehensive Special Education program for children between the ages of 3 and 21. Unit 3 strives to provide the least restrictive special education environment in order for children to develop to their maximum potential. Parents are an integral part of the placement and on-going educational planning for children receiving special education services.

Special Education - Behavioral Interventions for Students with Disabilities

A policy outlining behavioral interventions for students with disabilities is available from the principal of each school as well as the Director of Special Education.

2. To have your child evaluated within sixty days of referral.
3. To fair evaluation procedures for your child.
4. To an independent evaluation if you feel the school's evaluation was inadequate or unfair.

 14. To have your handicapped child educated with non-handicapped children to the maximum extent appropriate.

Special Education - Section 504

The district has an internal grievance procedure for prompt and equitable resolution of complaints alleging any action prohibited by regulations implementing Section 504 of the Rehabilitation Act of 1973. Individual students and/or a parent or guardian on behalf of the student should take any complaints to the individual in charge of the level where the alleged violation occurred. If relief is not received at that level, a formal complaint should be addressed to the Director of Special Education.

Student Behavior

The goals and objectives of this policy are to provide effective discipline practices that: (1) prioritize the safety and dignity of students and staff; (2) maintain a positive, weapons-free, and drug-free learning

environment; (3) keep school property and the property of others secure; (4) address the causes of a student's misbehavior and, to the extent possible and practical, provide opportunities for all individuals involved in an incident to participate in its resolution; and (5) teach students positive behavioral skills to become independent, self-disciplined citizens in the school community and society.

As is the case throughout the Board Policy Manual, the term "includes" when used in this policy means "includes, without limitation."

Efforts, including the use of positive interventions and supports, shall be made to deter students, while at school or a school-related event, from engaging in aggressive behavior that may reasonably produce physical or psychological harm to someone else. The Superintendent or designee shall notify the parent/guardian of a student who engages in aggressive behavior about the incident. The failure to provide such notification does not limit the Board’s authority to impose discipline, including suspension or expulsion, for such behavior.

No disciplinary action shall be taken against any student that is based totally or in part on the refusal of the student’s parent/guardian to administer or consent to the administration of psychotropic or psychostimulant medication to the student.

Disciplinary Measures

School officials shall limit the number and duration of expulsions and out-of-school suspensions to the greatest extent practicable, and, where practicable and reasonable, shall consider forms of non-exclusionary discipline before using out-of-school suspensions or expulsions. School personnel shall not advise or encourage students to drop out voluntarily due to behavioral or academic difficulties.

Potential disciplinary measures include any of the following:

1. Notifying parent(s)/guardian(s).
2. Disciplinary conference.
3. Withholding of privileges.

4. Temporary removal from the classroom.
5. Return of property or restitution for lost, stolen, or damaged property.
6. In-school suspension. The Building Principal or designee shall properly supervise the student.
7. After-school study or Saturday study provided the student's parent/guardian has been notified. If transportation arrangements cannot be agreed upon, an alternative disciplinary measure must be used. The student must be supervised by the detaining teacher or the Building Principal or designee.
8. Community service with local public and nonprofit agencies that enhances community efforts to meet human, educational, environmental, or public safety needs. The District will not provide transportation. School administration shall use this option only as an alternative to another disciplinary measure, when appropriate, giving the student and/or parent/guardian the choice.
9. Seizure of contraband; confiscation and temporary retention of personal property that was used to violate this policy or school disciplinary rules.
10. Suspension of bus riding privileges in accordance with Board policy 7:220, *Bus Conduct*.
11. Out-of-school suspension from school and all school activities in accordance with Board policy 7:200, *Suspension Procedures*. A student who has been suspended may also be restricted from being on school grounds and at school activities.
12. Expulsion from school and all school activities for a definite time period not to exceed 2 calendar years in accordance with Board policy 7:210, *Expulsion Procedures*. A student who has been expelled may also be restricted from being on school grounds and at school activities.
13. Transfer to an alternative program if the student is expelled or if the parent/guardian agrees to such transfer. The transfer shall be in the manner provided in Article 13A or 13B of the School Code.
14. Notifying juvenile authorities or other law enforcement whenever the conduct involves criminal activity, including illegal drugs (controlled substances), "look-alikes," alcohol, or weapons or in other circumstances as authorized by the reciprocal reporting agreement between the District and local law enforcement agencies.

The above list of disciplinary measures is a range of options that will not always be applicable in every case. In some circumstances, it may not be possible to avoid suspending or expelling a student because behavioral interventions, other than a suspension and expulsion, will not be appropriate and available, and the only reasonable and practical way to resolve the threat and/or address the disruption is a suspension or expulsion.

Corporal punishment is prohibited. Corporal punishment is defined as slapping, paddling, or prolonged maintenance of students in physically painful positions, or intentional infliction of bodily harm. Corporal punishment does not include reasonable force as needed to maintain safety for students, staff, or other persons, or for the purpose of self-defense or defense of property.

Weapons

A student who is determined to have brought one of the following objects to school, any school-sponsored activity or event, or any activity or event that bears a reasonable relationship to school shall be expelled for a period of at least one calendar year but not more than 2 calendar years:

1. If the release of records or information is pursuant to item 5, the notification shall include, in addition to the foregoing, a statement of the terms of the court order.
10. The District may release student records or information under certain emergency situations without parental consent if the knowledge of such information is necessary to protect the health or safety of the student or other persons. The Superintendent or his/her designee shall make this decision taking into consideration the nature of the emergency, the seriousness of the threat to health or safety of the student or other persons, the need for such records to meet the emergency, and whether the persons to whom such records are released are in a position to deal with the emergency. Any Mahomet-Seymour School District student suspected of violating this substance abuse policy will be referred to the appropriate administrator within his/her school for evaluation and action.

Mahomet-Seymour Schools are not, nor ever should be, a sanctuary from the laws of the federal, state, or local government. Therefore, consistent with existing laws governing the sale or delivery, possession, or use of alcohol, drugs, drug paraphernalia, "look-alikes," or marijuana, any student found to be in violation of these laws will be immediately reported to the appropriate law enforcement official for possible investigation and action.

Technology – Acceptable Use Agreement

**Students in grades K-4 will have regular access to technology during the school day.

**Students in grades 5-12 will be issued a Chromebook

Mahomet-Seymour is deeply committed to technology as a vital tool for its students, teachers, and parents. The District has determined that as a tool, technology will be integrated into our district curriculum in a way that enhances the learning of our students. As a tool, responsibilities fall on both the District and the student to ensure that the tools are effective, safe and appropriate to support our overall goal of teaching and building responsible, well balanced, contributors to our environment. As a user of technology, I understand that it is my responsibility to honor the Responsible Use Policy and uphold these Mahomet-Seymour Core Values both online, offline, at school and at home. I understand that my actions can affect others and that I will be accountable for my behavior.

Mahomet-Seymour CUSD #3 Core Value, Responsibilities and Restrictions

I will use thoughtful and appropriate language for social postings. I will be mindful of how my words are interpreted by others.

We value privacy; therefore, I will: be aware of the privacy settings on any website to which I subscribe. I understand that anything I do online that may be interpreted as dangerous to myself or others or inappropriate for learning or the intended curriculum, may not be considered private and may be monitored. I understand that anything I do online or electronically is not private and can be monitored. I will not share personal information about myself, family, friends, or faculty.

We value honesty and safety; therefore, I will: not engage in behavior that puts myself or others at risk. I will represent myself honestly. I will seek help if I feel unsafe, bullied, or witness unkind behavior. I will communicate only with people I know. I will follow safety guidelines posted by sites to which I subscribe. The District will provide a mechanism for reporting any bullying or behavior that a student(s) may perceive as harmful to themselves or others.

We value learning; therefore, I will: apply existing knowledge to generate new ideas, products or processes. I will evaluate the validity of information presented online. I will ask questions and seek help when using school technology. I will have a positive attitude and be willing to explore different or new technologies. The district and its staff will provide as part of its curriculum, instruction and examples on how to appropriately evaluate online resources and information and integrate that into a student's work and learning.

We value respect for self and others; therefore, I will: not upload or post personal information, private communications, or photos of other people without permission. I will respond thoughtfully to the opinions, ideas, and values of others. I will not send or share mean or inappropriate electronic communications.

We value respect for school and personal property; therefore, I will take proper care of all equipment. I will report misuse and/or inappropriate content to my teachers or adults.

2. Ensure their device is charged and ready for use. The District will provide charging opportunities during the school day.
3. Use appropriate language in all communications avoiding profanity, obscenity and offensive or inflammatory speech. Cyberbullying, including personal attacks or threats toward anyone made while using either district owned or personally owned technology, is to be reported to responsible school personnel. Communication should be conducted in a responsible, ethical and polite manner.
4. Respect the Internet filtering and security measures included on all district devices and student accounts. All student 1:1 computing devices provided by the District are configured so that Internet content is filtered both when the student is at school and when on any other public or private network.
5. Use technology only for school-related purposes during the instructional day while refraining from use related to personal, commercial, or political purposes. Teachers and staff have the right to confiscate a device that is not being used appropriately in a class. Students will be held responsible for any missed work while the device is confiscated.
6. Follow copyright laws and fair use guidelines. Students should only download music, video or other content which is related to classroom assignments and which students are authorized or legally permitted to use.
7. The District uses software designed to restrict access to unacceptable content in order to protect students from harm or danger. If the District has credible reason to believe a student may be accessing dangerous or unacceptable content, the District will take steps to intervene. These steps will include: parental/guardian notification which includes the suspected danger or violation and a procedural plan to remedy the activity. This plan may include monitoring of district technology, student files, and student activity for the sole purposes of protection of the student and others; where the information is gathered is specifically used as examples and as a part of a plan for corrective measures. You must make your 1:1 device available for inspection if requested by any administrator or teacher.

8. Attempt to locate, view, share, or store any materials that are unacceptable in a school setting. This includes but is not limited to pornographic, obscene, graphically violent, or vulgar images, sounds, music, language, video, or other materials. The criteria for acceptability is demonstrated in the types of material made available to students by administrators, teachers, and the school media center.

In addition to the specific values, responsibilities and restrictions detailed above, it is expected that students and families will apply common sense to the care and maintenance of district-provided 1:1 technology is in their possession and under their control. As with any district issued resource, students are financially responsible for loss/theft, or damage of the 1:1 device, per the Chromebook damage and replacement plan.

Mahomet-Seymour CUSD #3 is not responsible for any loss resulting from use of district-issued technology and makes no guarantees that the technology or the district network systems that support student use will be available at all times. If the district network is unavailable and restricts a student's ability to complete schoolwork, the District and staff will make accommodations for the completion of the work. By signing this policy, you agree to abide by the conditions listed above and assume responsibility for the care and proper use of MSCUSD #3 district- issued technology. You understand that should you fail to honor all the terms of this Policy, access to 1:1 technology, the Internet, and other electronic media may be denied in the future. All volunteers will undergo the appropriate screening based on the school activity(ies) for which he/she volunteers

Weather – Related School Closings

When weather conditions are threatening due to winter storms, heat, etc., please tune into local radio, TV stations and social media outlets for updated information on Unit 3 bus transportation, early dismissals, and school closings. Since weather conditions may change once students are in school, parents are advised to continually monitor the media. Any decision Unit 3 makes will be based on the safety of the students. Parents, who wish to do so, may come to school to check

their child(ren) out in the main office and take them home.

Closing of All Schools When winter weather conditions are extremely severe, Unit 3 will announce the closings of all schools by 7:00 a.m. on radio, TV, social media outlets and utilizing the District's Emergency Notification System. The following are a few of the stations which will be notified in the case of the closing of all school or an emergency early dismissal: WDWS 1400 AM, WIXY 100.3 FM, WLRW 94.5 FM, WCIA CH 3, WICD CH 15, or WAND CH 17.

Early Dismissal of All Students Unit 3 generally does not utilize early dismissal of all students due to weather conditions. However, if the situation should occur, either due to heat or winter storms, every effort will be made to provide at least one hour's notice using the District's Emergency Notification System and announcements on TV, radio and social media outlets. ***Please do not call the Transportation Department, District Offices, or individual school buildings unless it is an emergency.***

Parents and children should discuss what to do ahead of time in case of an emergency such as this. (Example: Children should have access to their homes if the parents will not be there, or should know to go to a neighbor's house.)
