NOTICE:

Notice is hereby given for a Public Hearing to be held by the Oroville City Elementary School District Board of Education concerning the **Modification of Extended School Year (ESY) Services.**

PURPOSE:

We will be requesting a two-year (June 2022 and June 2023) General Waiver from the California Department of Education to modify the number and length of days the ESY program is offered.

BACKGROUND: The District proposes to provide ESY services to identified special education students utilizing a thirteen (13) day, six and one-quarter (6.25) hour per day instructional model rather than the traditional model of twenty (20) days with four (4) hours of instruction. Students will receive the same or greater number of instructional minutes. This will enable the District to align our schedule with the Butte County Office of Education (BCOE) which serves some of our students in their ESY program. BCOE support staff also provides needed services to our students during ESY. Transportation and support providers will then follow the same schedule for both agencies.

FISCAL IMPACT: Fewer ESY days will result in substantial savings in transportation, utilities, custodial, food services, and administration and clerical costs.
