

# Virtual Learning Plan for All Ovid-Elsie Middle School Students

## November 3 - 12, 2021

---

Dear OEMS Families,

Thank you for your cooperation during this time. We appreciate all of the parent and community support in helping us identify positive students so that we can notify people effectively to keep everyone aware that their child has been exposed to Covid-19. Your communication with us has helped tremendously. At this time, we are taking a pause in in-person learning in hopes that we can mitigate any school wide spread at the middle school. If your child took a rapid test and was positive, you should have them take a PCR test to confirm those results.

During virtual learning, we will have the students follow the schedule listed below. Attendance is extremely important during this time and it is expected that your child attends their virtual classes when required.

One thing we recognized throughout the last couple days is that students that do not feel well are coming to school. If your child doesn't feel well and has [Covid-Symptoms](#), you need to keep them home. The more students are exposed, the more likely it is that the virus will spread through our schools. We know it is difficult to tell sometimes if it's just allergies, a cold, etc, but please monitor the situation closely. If your child has a fever, always keep them home.

Thank you again for all of your support! Our staff and students are amazing, and we will get through this!

Go Marauders!

### Virtual Student Expectations:

**ALL** Students in each class should log into a Google meeting with their participating teachers within the first 5 minutes of each Live Google Meet session to be marked present. **Please see the class schedule below for start times of Live Google meetings when we are 100% Virtual.**

- **Students are expected to access all educational activities via the [Schoology](#) learning management platform. This may include, but is not limited to, materials, assignments, discussions, and the gradebook.**
- Students are expected to read directions fully. This may include watching a video created by their teacher with specific directions for the task/assignment.
- Students are expected to respond to all teacher communication.
- Students must check school emails and Schoology messages often, preferably multiple times a day.

**School Gmail Account**

**Schoology  
Messages**

### Teacher Expectations

- All teachers will post a link to a Google meeting in Schoology for each course or provide the nickname for the virtual meetings and phone number.
- Have your Google Meet open and available during the scheduled hours of classes.
- In Powerschool, take attendance ensuring that there is an attendance code for each student during each class (SYN for Synchronous, T for Tardy, or A for Unverified).
