

Got Pandemic EBT (P-EBT)?

Get money for food with SNAP

As students return to in-person learning, it's more important than ever to sign up for SNAP.

- It is fast and easy to apply online at DTAConnect.com or by phone at 877-382-2363 (multiple languages)
- Buy food in stores or online at select retailers

Am I Eligible • How Much Can I Get?

- If you got P-EBT, you are likely eligible for SNAP.
- Eligibility is based on your household's size and income.
- During the COVID emergency, you will get **more SNAP money**.

For Example:

Household Size	Your Monthly Income (Before Taxes)	Monthly SNAP Money
2	\$2,903	\$459
3	\$3,660	\$658
4	\$4,417	\$835

Will getting SNAP impact my immigration status?

Like P-EBT, using SNAP does not impact you or your kid's immigration status and is not part of the "public charge" test. If you are not a US citizen, it is safe for you to get SNAP for an eligible family member (like your US citizen child).

IMPORTANT: Based on federal rules, students attending school in-person are not eligible for P-EBT. Keep your card.
