2021-2022 Adaptive Pause Schedule

An Adaptive Pause will be used when the school needs to close for a period of time determined by the Health Department due to Covid-19 or other illnesses.

During an Adaptive Pause, 5 educational hours (K-4) and 2.5 hours (PreK) will be provided by the teachers through the use of paper packets, Google Classroom, See Saw, Online Programs (IXL and Brain Pop Jr.), and/or class Zoom Meetings. Adaptive Pause days will follow the expectations below:

- Each teacher will post expectations on Google Classroom or See Saw. Classroom teachers will be holding Zoom meetings with their students at scheduled times determined by the teacher. Teachers will be posting assignments, provide paper packets, and will be available for questions throughout the day via email.
- **Attendance:** Adaptive Pause days are student attendance days. Students will check in for attendance via their classroom teacher's Google Classroom. There will be a link on each teacher's classroom page in the stream section to complete a brief attendance survey. **Students are expected to complete the attendance survey for each adaptive pause day by 8:15.** Regular attendance procedures will follow. Any student not checked in by 8:15 will be contacted by the school office. If the parent is unable to be reached, the student will be marked absent unexcused unless prior arrangements have been made. Student work completion and participation during Adaptive Pause Days will also be taken into account for daily attendance.
- **Grading:** The work assigned on Adaptive Pause Days is required and will be checked for completion. **All assigned work will be due on the day following the Adaptive Pause Day. Completed work, participation, access to online resources, and student engagement during Adaptive Pause Days will be assigned a grade just like a regular school day in the classroom.**
- **Adaptive Pause Work Day:** The faculty and staff will be available **7:45-3:15** via email to support parents and students. Please contact the school office or email your teacher directly with any questions or concerns.
