

Parents and guardians,

We are in need of your help please. We have been having some major issues with the restrooms, especially the boys' bathroom. We have announced in our bulletin numerous times about proper behavior in the bathrooms and unfortunately, some students are continuing to cause damage. As a result, we have had to close the main hallway bathroom on multiple occasions and a plumber has come out to remove objects such as milk cartons, candy wrappers, pencils, and other items that clearly do not belong in a toilet. Along with foreign objects in the toilets, we have had the urinals clogged with toilet paper and inappropriate writing and drawings on the mirrors. Please speak with your student about proper bathroom etiquette. If the behaviors continue, we may have to close the bathrooms and bring in temporary portable bathrooms. We have an anonymous tip box for anyone that may have information about who may be causing the damage in the bathrooms. Thank you for your help and support with this matter.
