

Refer a Friend. Earn \$75

Attention District Staff

Earn up to \$525 per year through our referral program!

We've found that some of our top-performing substitute teachers and support staff are referred to us by the people who know your schools best. That's why our partner school districts' faculty and staff can now participate in our referral program.

Do you know someone who fits the bill? Simply fill out our online referral form, and you'll receive a \$75 gift card for every candidate who gets hired and meets the minimum requirements!

ESS Referral Program Overview

- Referrals must be submitted at **Refer.ESS.com** before the candidate submits an application.
- Referrers must register with a valid district email address. Administrators involved in contracts or hiring are excluded from this program.
- All referred candidates must be entirely new to the ESS application process and must not be part of a district-wide transition to ESS' services (also known as district originals).
- Substitute candidates must apply, get hired, and work eight of their first 30 calendar days without disciplinary action.
- Permanent candidates must apply, get hired, and complete two consecutive months in a permanent position without disciplinary action.
- District employees will receive \$75 for each successful referral, earning a maximum of \$525 per calendar year. Referral payment gift cards will be mailed to the address submitted through the form on a quarterly basis.
- Regulations are subject to change.
- This program is funded solely by ESS.
