Preparing for Virtual Parent Teacher Conferences

Parent Teacher Conferences are scheduled for November 5th from 2pm to 8pm. Here are some tips:

1. Lincoln schedules/assigns times to families so be sure you are checking SeeSaw for the ZOOM ID and assigned time.
2. Remember to arrive at your conference on time as conferences are scheduled every 15 minutes and the teachers will be keeping a tight schedule. So, if you arrive late please know that you may not get your full conference time.
3. Remember, that all grades at Lincoln (Early Kindergarten/Prek - 2nd) have transitioned to a standard-aligned Grading System which means you'll see multiple scores in a subject area instead of just one grade. These scores will reflect exactly which area of a subject your student excels and which ones are still developing.

If you have any questions, please contact Mrs. Barney at 406-563-6141, Ext 1302

Book Fair

We are excited to announce that we will be doing a Scholastic Book Fair again this year! It will look a little different this year though.

All students will have the chance to walk through the library and preview the books. They will make lists with titles and prices to bring home to you. If you would like to purchase books, you may send cash or a check back with your child and they can purchase their books then. If you would like to use a card, please email me and we can make arrangements to pay. My email is acalhoun@anacondaschools.org.

Thank you for your continued support of the library and your child's reading!
