Fax: 207-365-4138

November 7, 2021

Good evening Katahdin Families. I'm calling with a few district announcements.

This Wednesday is an Early Release day for students and a professional learning afternoon for teaching staff. Students will be dismissed at 11:15 AM.

There is no school on Thursday, November 11th as we observe Veterans Day.

The following is an update to our sports guidelines. All fans are welcome to attend Katahdin basketball games. Masks are required.

Thanks to everyone who supports Katahdin Schools and follows us on social media. With our new website we also have a school app. You will find the link to download the app on the bottom of our website homepage at www.rsu89.org.

As the temperatures begin to fall please remember to send KES students prepared to be outdoors. This means layers, winter coats, hats, scarves and mittens. Please let your child's teacher know if you need any assistance clothing your child for outdoor activities.

Thanks to all families that have been communicating regularly with us regarding illness and quarantining. Your cooperation and assistance is helping us to maintain in person learning this year. Katahdin Schools is striving to provide the best possible support for students who are required to quarantine. Please contact your child's school with any questions or concerns regarding their learning plans.

Remember we're in this together - as the school year continues it is important to complete the home health screening each day and not send sick children to school. [Home Health Check Link](#).

Thank you for taking the time to listen to and read this message and enjoy your evening.

Marie Robinson
Superintendent of Schools
