Billie D. Simpson, Member

November 1st -5th

The District reported no Covid-19 positive cases this week.

We finished the week with 1608 students down 10 from last week.

Elem-606 Middle- 480, High-522

The overall attendance rate for the week was 90.09%. We would like it to be in the mid 90's.

E 3 updated us Thursday. They have completed about 97% of the lighting for inside and outside with some parking lots yet to be complete. We have also asked them to put some of the parking lots on timers so the lights do not stay on all night. E3 has also taken over the middle school cooling controls to help save on energy bills there.

Ed Directions was in district this week meeting with the high school and middle school staffs.

APEX Learning has been involved at the Middle and High schools through PLC's to train teachers in the develop of accelerated leaning plans for the students. APEX is also working on STAAR and TSI readiness with the staffs.

Effective School Framework student staff and family surveys will be conducted over the course of the next couple of weeks as we prepare to engage in the development of our district and campus improvement plans.

UIL- Rio Hondo turned in 515 students to UIL this week for the re-alignment that will take place in February. At this point, we do not know if we will be in 3A or 4A. It is too close to call.

The 2020-2021 Financial Audit report will be gone over at Monday's Board meeting.

Next Board meeting is scheduled for this Monday, November 8th at 6:30pm.

Roger Ellis
