November 5, 2021 (Weekly update)

We have some outstanding news regarding our Covid numbers.... we had no reported cases this week! This is tremendous news and we are grateful. As all of us continue to work towards returning our lives to normal we realize that the scope of the pandemic itself can continue for a great deal of time to come. However, we are committed to offering as many experiences as possible that resemble life before this all began. To that end, we will continue to persevere and maintain good hygiene and cleaning habits so that our students are able to attend classes and activities.

BOND—We would like to thank everyone who voted in the recent election. The proposed Bond issue passed, and we are grateful for the opportunity to begin making more improvements to the district. We deeply appreciate the strong support our community has for its schools. As we proceed through this process, you can expect us to provide updates and information through our website, our weekly communications, and of course social media. We appreciate the need to continually improve our district in all facets and will always work towards that goal!

CROSS COUNTRY—New Waverly district champion Hutton Edny competed in the state championships today and placed 9th in state! Congratulations to all of our cross-country teams and Coach Carlson on a great season. Congratulations to Hutton and an amazing place at the state meet as a medalist!

VOLLEYBALL—Our volleyball team capped a great season with a playoff game this past week. While the results were not in our favor, our team did an amazing job of competing this season and capturing 3rd place in district! We are so very proud of our Lady Bulldog volleyball team and Coach Dyess!

SENIOR NIGHT—Tonight is Senior night for football, band, cheerleaders, sports medicine, and drill team. Please join us in thanking our seniors tonight at the New Waverly Bulldog stadium. We hope to begin at 6:15!

FOOTBALL—Our Bulldogs are in action tonight at Bulldog stadium vs Anderson. Last week our team captured second place in district and assured themselves of a playoff spot! Kick-off is 7:00 pm. And we suggest you dress warmly!

In Bulldog Pride,

Darol Hail, Ed. D.

“Together We Can”
