### Heber Springs Middle School Band Practice Sheet

It is your responsibility as a member of the Heber Springs Panther Band to practice your instrument for at least 15- 30 minutes every day outside of class. I would recommend breaking up your practice session into 10 – 15 minute sessions. This will help you avoid getting tired and will build your endurance. Take a small break between each practice session. Remember to practice everything slow. You will only get ahead faster by slowing down. Slow and steady wins the race. **USE A METRONOME!** It is important that you continue to practice until you can't get it wrong. Just because you play it right one time does not mean that you will be able to play it right the next time you pick up your instrument. May the force be with you all and may you have more musical accuracy than a Stormtrooper with his blaster gun!

<b>Date:</b>	<b>Time</b>	<b>What you practiced</b>	<b>Total Practice Time</b>
<b>Monday:</b>			
<b>Tuesday:</b>			
<b>Wednesday:</b>			
<b>Thursday:</b>			
<b>Friday:</b>			
<b>Saturday:</b>			
<b>Sunday:</b>			

I vow that the practice time recorded is true and accurate
