Dear Parent/Guardian:

We are well into our third month of school, and are pleased that we have been able to get back into full swing while keeping our school community healthy with minimal disruptions. One of the ways we can continue to keep our schools safe is through vaccination. If you have a child age 5 or over, and you have chosen to vaccinate your child please be sure to send in a copy of their immunization record. If your child attends Holly Hills School please send a copy of your child's vaccine record into Danielle McNally or Shila Stevens at [hhsnurse@westamptonschools.org](mailto:hhsnurse@westamptonschools.org). If you have any questions or concerns, please feel free to contact Mrs. McNally or Mrs. Stevens at 609-267-8565 extension 2006.

The Burlington County Health Department is hosting a Covid-19 vaccination clinic for Westampton Township School students aged 5-11 on November 22<sup>nd</sup> from 4:30 – 7:30 PM at Westampton Middle School.
