

## Welcome to Pekin Community High School and Dragon Athletics!

Enclosed is information on our athletic offerings, registration info, eligibility requirements, coaches contact information, and start dates for each sport.

To participate you must . . .

- Have a valid physical exam on file at the High School, prior to the first day of practice. *We recommend that freshmen obtain two copies of their physical*; one for school registration, and one for athletics.
- Provide proof of adequate accident insurance coverage. The school does not require you to purchase school-offered insurance, if you have your own health insurance that will cover injuries to your student athlete.
- Register online: All registration for dragon athletics is completed online. Parents must create a log-in the first time they visit the site. You may find the link at: <http://pekinathletics.com/>.
- Have passed 5 classes in the previous semester. (Incoming freshmen are automatically eligible their first semester in high school). During your season, you must be passing at least 5 classes each week to remain eligible for participation in athletic contests.
- Sign and follow the P.C.H.S. Extra-Curricular Activities Code.
- Represent PCHS & conduct yourself in a positive manner.
