# ATTENTION

## WYOMING COUNTY SCHOOLS STUDENTS, EMPLOYEES, AND FAMILIES:

As we begin the 2021-22 school year, families are encouraged to make the best health decisions for their children and staff for themselves.

### Re-entry plan

The Wyoming County Board of Education voted 4-1 today to support Superintendent Cline's recommendation of Parental Choice regarding face coverings while at school.

### What to expect

Each student will receive a form on the first day of school which will ask parents/guardians to choose a mask or no mask for their child. This form must be returned to the school no later than August 31.

### Focus

As we all work together in this ever-changing health situation, our focus must be on a safe and positive learning environment for children. Please call any school or the Central Office with questions. Everyone within WyCo Schools is excited to welcome our students to what will be a wonderful school year!

**More information about protocols will be posted and sent home in the near future.**
