

Attention Seniors

The California Seal Biliteracy process begins NOW. The Seal of Biliteracy recognizes high school graduates who have accomplished measurable skills that demonstrate high levels of proficiency in English and another language. By acquiring such recognition, you will be able to enjoy greater career and employment opportunities in this global economy and diverse society. As students graduating Orestimba High School, acquiring the Seal of Biliteracy will assist in demonstrating your proficiency during employment, college admission, scholarships applications, and any lifelong aspirations you pursue in the 21st century multilingual society.

If you are proficient in English as well as an additional language and are interested in applying for the California State Seal of Biliteracy, please read the requirements embedded in the flyer link below and complete the personal information survey to be evaluated for such recognition. For further questions please contact your Spanish teacher or your Learning Director.
