## November 2021

Lights on For After School Open House was held on October 28th and was a great success with 57 students attending. There was pumpkin bowling, catapult building, a monster hand popcorn snack, estimation of pumpkin weights and candy corn, face painting, story telling, story reading, mask making, pumpkin decorating and dancing for physical movement.

### Special Thanks

The After School Activities Program would like to offer special thanks to the Newell Food Pantry for supplementing our snacks. Sophie Burditt and Lorie Johnston for donating pumpkins for our pumpkin decorating, games and estimation activities Patty Karas for being our “Good Witch” and reading for us during our open house on October 28th to Celebrate Lights on for After School.
