For more information, go to
donorschoose.org/about.

For directions on setting up an account, visit
donorschoose.org/teachers.

Matching funds will be available for projects at schools
in OG&E's Oklahoma and Arkansas service area
where more than three quarters of students are from
low-income households and the total project cost is
\$600 or less.

If your project meets the criteria, donors will see their
donations to the project double, dollar-for-dollar, to help
bring your project to life.

**POSITIVE
ENERGY
TOGETHER**
