Comments: Thank you to everyone who came to Wichita to cheer us on! We medaled in 7 events, breaking the school record of 5 that we set just last year. The 26 combined points for the boys' and girls' teams was the 2nd best in school history. Karsen's 2 medals brought her career total to 7, the most by any boy or girl in WHS Track history. Thank you to all our athletes for their work this year and throughout their careers. Special thanks to our assistant coaches: Skyler Suther, Brandi Miller, and Lyle Strait. Their dedication has helped get our program where it is today. It makes me excited for the future of Wabaunsee Track!
