## **Classroom Policies and Procedures**

**Entering Class:** Gather any necessary materials, quickly find your seat, and begin working on the bell ringer. This should be completed on your own unless otherwise stated. Also, use this bell ringer time to discuss anything with Mrs. Waldron you need to. You are expected to be in the room by the time the tardy bell rings unless you have checked in and are using the bathroom (see next policy below).

**Bathroom Usage and Water Bottles:** You are allowed to use the bathroom and fill up your water bottles during the first three minutes of class during the bell ringer time. Please check in with Mrs. Waldron and you will not be counted tardy as long as you are back within three minutes of the tardy bell ringing. You will not be allowed to use the restroom or fill up your water bottle during class. You will not be allowed to leave for the restroom and/or fill up your water bottle after the tardy bell rings.

**Exiting Class:** In the last five minutes of class, you will wrap up what you are working on, return materials to the appropriate locations, listen to final instructions, and complete any exit tickets. The teacher, **not the bell**, dismisses you upon completion of these tasks.

**Absences:** If you are absent, it is your responsibility to check in and make up any work or tasks you missed. See the trays in the back of the room for any handouts. You can also reference the daily agendas and lesson plans on Canvas. You are expected to do any bell ringers, daily tasks, formative assessments, and summative assessments that you missed. Please check in with Mrs. Waldron as you get them completed. If you know you will be gone, **PLEASE** work to check in, gather assignments, and complete them in advance.

**Revise and Redo:** If you do poorly on a summative task, excluding presentations, you are allowed one retake opportunity. If you would like to exercise your right for a retake, see Mrs. Waldron to schedule an appropriate remediation process and retesting date. The retake score will replace the initial assessment. If your summative assessment was originally recorded as an incomplete, no retake opportunity will be granted.

**Course Resources:** Lesson plans, course materials, assignments, schedules, resources, etc. can be found on Canvas. Novels, textbooks, and other texts will also be used. Turn It In will be a resource we utilize as well.

**Retraining Sessions:** Meeting classroom/school expectations, policies, procedures, and behaving appropriately helps to create a positive learning environment where you and your classmates feel welcome, safe, and respected. At anytime when an expectation, policy, or procedure is not followed to the outlined expectation, you will be assigned to a retraining session to review and practice the expectation, policy, or procedure that was not followed.

*I encourage you to be an active participant in class and to complete any task to the best of your ability. If you do this, I can ensure you will be successful and it will benefit you in the long run. Throughout this course, we will use Canvas daily. All lesson plans, assignments, tasks, and materials will be there. Please do not turn in any electronic assignments via email. I will always have a place on Canvas for anything you need to turn in.*

I am available before or after school most days. Please communicate with me during class or via email if you need me during those times. I encourage you to check your email and Canvas regularly for announcements and other important information.
