

2022 OCEAN LIFE CALENDAR FUNDRAISER

Marston students created ocean life watercolors that were juried by a team of our staff members.

Twelve out of 108 paintings were chosen for this calendar.

Calendars are now available to pre-order for the holiday season.

Proceeds from the calendar sales will benefit Marston student extended learning opportunities and 10% of profits will be donated to the Blue Ocean Discovery Center located in Hampton Beach.

Calendar cost is \$15.00.

Please consider supporting this cause. The more calendars that are sold, the more we can support these worthy projects.

CALENDARS MAKE GREAT HOLIDAY GIFTS!
