

May 31, 2018

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2016-17 educational progress for the Hemlock Public School District and our schools. The AER addresses the complex reporting information required by federal and some requirements of state laws. Our staff is available to help you understand this information. Please contact the administrative office at (989) 642-5282 if you need assistance.

The DISTRICT AER is available for you to review electronically by visiting the following [website](#) or you may review a copy in the main office at your child's school. Each school will also be communicating their own AER to parents directly.

These reports contain the following information:

Student Assessment Data – Includes the following three assessments: M-STEP (Michigan Student Test of Educational Progress), MI-Access (Alternate Assessment), and College Board SAT. Presents assessment information for English language arts and mathematics for grades 3 to 8 and 11, and science for grades 4, 7, and 11, compared to state averages for all students as well as subgroups of students. The report helps users to understand achievement performance within grades and schools, and to make comparisons to the district, state, and national achievement benchmarks.

Accountability – Detail Data and Status

The accountability portion of the AER includes assessment proficiency and participation rates, graduation or attendance rates, as well as accountability index values showing school performance on a 0-100 scale.

Teacher Qualification Data

- Identifies teacher qualifications at district and school levels
- Reports percentage of core academic classes taught by teachers not considered highly qualified to teach such classes

HEMLOCK PUBLIC SCHOOL DISTRICT
2017-2018 Annual Education Report for 2016-2017 Progress
Donald Killingbeck, Superintendent

NAEP Data (National Assessment of Educational Progress)

· Provides state results of the national assessment in mathematics and reading every other year in grades 4 and 8

Review the table below listing our schools. For the 2016-17 school year, schools were identified using new definitions, and labels, as required in the Every Student, Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has three or more underperforming student subgroups. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state. Some schools are not identified with any of these labels. In these cases, no status label is given.

School Name	Status Label	Key Initiative to Accelerate Achievement
Hemlock Middle School	Focus, status removed the end of 2016-17 school year.	Co-teaching.

We at Hemlock Public School District congratulate our students and staff, as well as encourage them to do their personal best on future assessments. Parents are vital educational partners in this process and would invite them to contact their child's building principal to find out ways they can be more involved in the educational process.

Sincerely,

Donald R. Killingbeck Jr., Ed.S.
Superintendent
