**Dear Parents/Guardians of Non-Resident Students:**

The School City of Whiting has begun the process of calculating available non-resident spots for the 2022/2023 school year. Siblings of current non-resident students may seek enrollment in the district as long as there are available spots in the grade requested, without going through the lottery process. Please complete the enclosed survey as follows:

**Part I** Currently Enrolled Students: List the names of your **children currently attending Whiting Schools and current grade level** for this school year.

**Part II** Siblings Not Enrolled: **List the names of siblings and their grade level** you wish to enroll for the upcoming 2022/2023 school year (K - 9<sup>th</sup> Grade). **Children must be 5 years old by August 1, 2022 to enroll in kindergarten.** (Enrollment is *not available* at the Pre-Kindergarten level for non-residents).

**Part III** Parent information - Please complete even if there are no changes in your personal contact information; be sure to include your address, phone and email.

**Surveys must be returned by Friday, December 17, 2021 in order to be considered.**

**Here are three ways to return the survey:**

1. Please return to the Administration Building, 1500 Center Street - (8:00 a.m. - 4:00 p.m.)
2. Please email to [jbelford@ns.whiting.k12.in.us](mailto:jbelford@ns.whiting.k12.in.us).
