

2023 Summer Reading Assignments - Enhanced English 10
Mrs. Heather Eggers, MSE, NBCT

Welcome to Enhanced English 10! This will be a challenging course, but you will begin to develop the skills to be successful on the AP Language and AP Literature exams. Since this is an advanced course, we will have many assignments, and you will be totally responsible for your work, starting this summer. I look forward to having you in class and preparing you for those exams.

Required Reading:

- *1984*—George Orwell [Online Text PDF](#)
- *A Separate Peace*—John Knowles [Online Text PDF](#)

I have a few copies of these in my class if you would like to check one out before the end of the year.

When we start back to school in the fall, you will take a test over these novels and we will also do a timed writing for each as well focusing on the rhetorical strategies that the author uses.

Please feel free to call, text, or email me if you have questions concerning your assignments. (501) 288-WHS1
