

Board Goals 2021-2023

The Board will create a vision for the organization by developing a 10-Year Plan, detailing core beliefs and priorities.

Special Education will cultivate quality partnerships by ensuring accuracy, availability and professionalism.

Instructional services will support district and school improvement objectives through proactively communicating, leading innovation, and providing exemplary instructional learning opportunities.

Information Technology will deliver an excellent customer experience by proactively building strong relations and communicating specialized services.

Administrative Services will increase district outreach, with an emphasis on quality customer service.
