

# Lifepoint Patient Portal User Guide

Create a New Account: Go to [lifepointlink.com/noah/patientportal](http://lifepointlink.com/noah/patientportal)

To create an account, select the 'Create a New Account' link on the Login page.

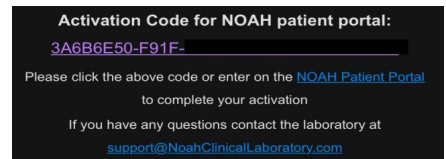

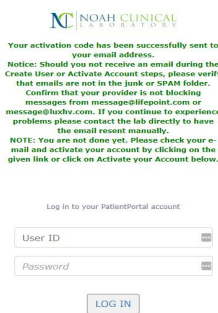

A box will open to enter your personal information.

Fill in all information and click the 'Save' button. A confirmation message will display.

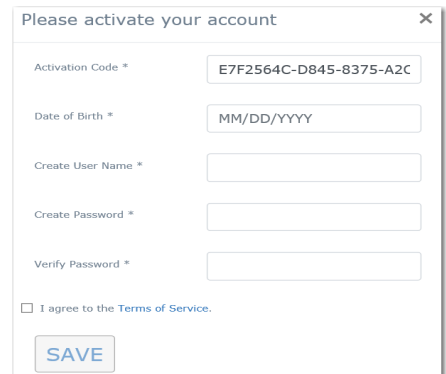

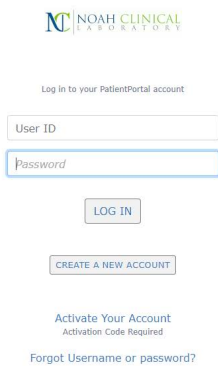

## Activate Your Account

Activate your account by clicking on one of the links available in the activation code email that you receive.

Or by selecting the 'Activate Your Account' link on the login screen.

You will be directed to the screen below to create your login information. If you used the link in the email your activation code is populated.

Fill in the remainder of the information. Please note the password guidelines at the bottom of the page.

- Check the 'I agree to the Term of Service' checkbox. Clicking on the 'Terms of Service' link will direct you to the Lifepoint Terms of Service.
- Click the 'Save' button to save your entries and activate your account.
- Lifepoint will take the information provided and attempt to match it to an existing patient in the patient table.
- If the patient is not found the message to the right will display.

Log in to your PatientPortal account

If the patient is found, you will receive an immediate confirmation that the account has been activated. Also, an email will be sent.

Your activation code has been successfully sent to your email address.

**Notice:** Should you not receive an email during the Create User or Activate Account steps, please verify that emails are not in the junk or SPAM folder. Confirm that your provider is not blocking messages from message@lifepoint.com or message@luxhv.com. If you continue to experience problems please contact the lab directly to have the email resent manually.

**NOTE:** You are not done yet. Please check your e-mail and activate your account by clicking on the given link or click on Activate your Account below.

**Activation Code for NOAH patient portal:**  
**3A6B6E50-F91F-**

Please click the above code or enter on the [NOAH Patient Portal](#) to complete your activation

If you have any questions contact the laboratory at [support@NoahClinicalLaboratory.com](mailto:support@NoahClinicalLaboratory.com)

Clicking on the link in the email will direct you to the Login screen where your Username will be auto populated. Enter the password you just created to log into your Patient Portal account.

**Login to your Account**

Once your account has been activated, and you have created your User ID and Password, you will simply need to enter them into the Login screen and click the 'Log In' button to access your account.
