

Open Chrome

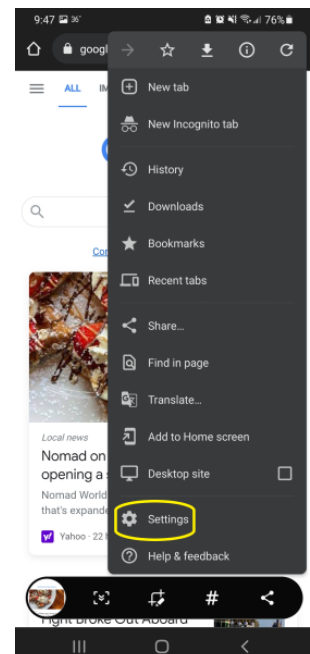

How to turn pop-up blocker off on Android Device

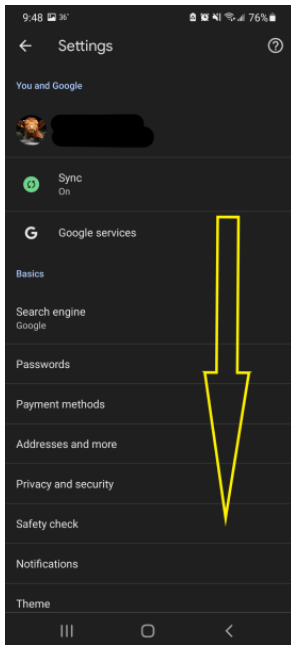

Tap More

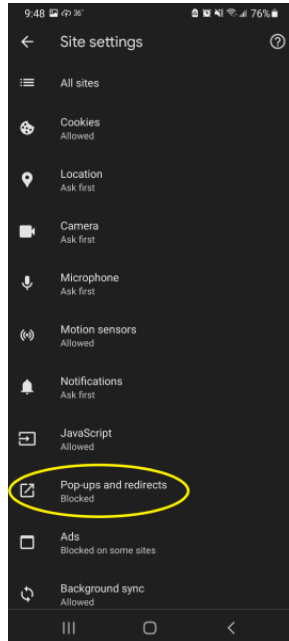

Select Settings

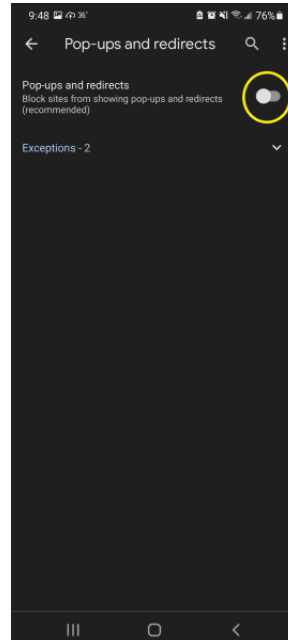

Scroll Down

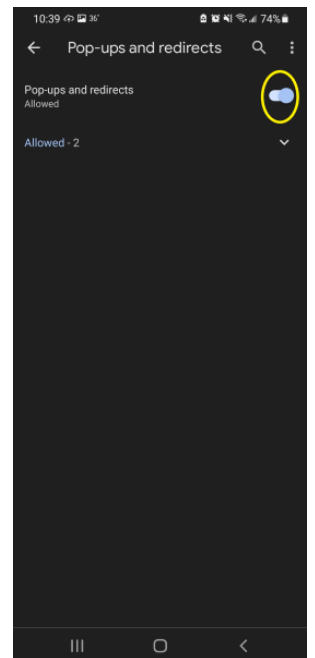

Select Pop-ups and redirects

Turn pop-ups on or off by tapping the slider (this shows pop-ups being blocked)

This allows pop-ups and redirects to occur

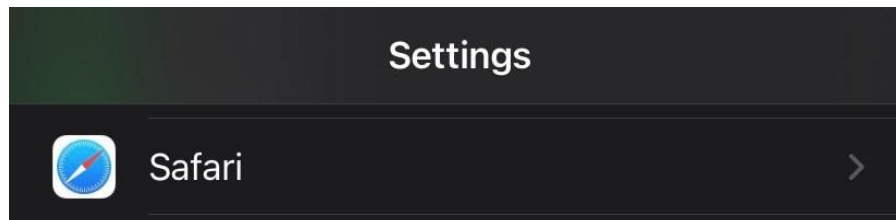

HOW TO REMOVE POP-UP BLOCKER FROM YOUR APPLE DEVICE

Click Settings

Find and click Safari from the list

In General section search for Block Pop-ups and make sure it is not toggled green
