

Greeting Huron Valley Community,

This past weekend 9 Milford High School Vocal Music students traveled to Monroe High School to perform for MSVMA 's (Michigan School Vocal Music Association) Musical Theatre Solo & Ensemble. Aubrey Snavley, Amelia Dalbis, Vivian Lakin, Joe Meagher, Ben Mondrush, Allison Mobey, Peyton Wheeler, Shea Giese, & Lauren Gates all performed two contrasting pieces of Musical Theatre literature for a judge, who graded them on Tonal Beauty, Breath, Musical Elements, Language Elements, Interpretation, & Presentation. All students were extremely well prepared and received a 1-Rating, which allots to the highest quality of performance.

Some of the judges' comments were:

"Vocal tone is free, phrasing, & really lovely."

"Great air support, fabulous diction."

"You have such a beautiful voice."

"Very effective physicalization of story."

"Very expressive interpretations."

"You are incredible."

This was a fantastic experience for our students and they represented our community at the highest level of excellence. I am so proud of them, honored to be their teacher, and be a member of the Huron Valley Community.
