### **Message from the Principal:**

Dear Parents,

I am pleased to provide you with the annual School Report Card for Del City High School. Please note that the information provided is based on 2016-17 data. You will find information about our community, the school's educational program, and indicators of student performance.

We continue promoting high expectations at Del City High School. We have 9<sup>th</sup>-12<sup>th</sup> graders on our campus and we emphasize high expectations and high achievements with all of our students. We continue to be a leader among our state schools in participation in Oklahoma Promise (Oklahoma Higher Learning Access Program) Students must apply for the Oklahoma Promise Scholarship by the end of their sophomore year.

We are continually working to raise our academic performance each year and are particularly working to increase our scores in reading, writing, and mathematics. Our students attendance is crucial and an area where parents can really help us. Please help us make your child's attendance a priority.

On behalf of the faculty and staff, I want to take this opportunity to tell you what a privilege it is to have your son or daughter at Del City High School. Although we are a large school, we strive to have a positive atmosphere in which our students know they are important, feel safe and secure, and are confident that help is always available. We appreciate having supportive and caring parents with whom we can work cooperatively as our students become young adults.

Sincerely,

Gina Hill

## OFFICE OF EDUCATIONAL QUALITY & ACCOUNTABILITY

Dear School Principal:

Enclosed is your school's 2017 School Profile from the Office of Educational Quality and Accountability (OEQA). This School Profile is intended to give you a comprehensive view of not only your school's test scores, but valuable demographic and community information. Beginning this year, we have combined school and district reports into the newly redesigned 2017 School Profiles.

As you review your School Profile, we ask that you:

- Complete the section titled "From the Principal" by providing a message to parents;
- Give a copy of the completed School Profile to all parents in either paper or electronic form; and
- Fax or mail our office a copy of the completed "From the Principal" section.

We know information from this report is used extensively by grant writers, administrators, researchers, and patrons. All information will be made available at [www.EdProfiles.info](http://www.EdProfiles.info) or [www.SchoolReportCard.org](http://www.SchoolReportCard.org) on or about May 25<sup>th</sup>, 2018. We strongly encourage all schools to include a link to our websites so parents and stakeholders have access to over twenty years' worth of rich school and district profile information.

By bringing together statistical information from the State Department of Education, Regents for Higher Education, CareerTech, Office of Juvenile Affairs, Oklahoma Tax Commission, U. S. Census Bureau, and our own survey of principals, these School Profiles have many unique features.

We welcome questions and suggestions and as always, we are pleased to be your partners in education. Our offices are located at 840 Research Parkway, Suite 455 and we invite you to visit our office anytime you are in Oklahoma City. Thank you for your time and support.

Partners in education,

Daniel Craig, Ed.D.

Executive Director

Office of Educational Quality and Accountability

# 2016-17 Student Performance (Regular Education Students, Full Academic Year at This Site)

The state of Oklahoma adopted much higher performance standards in 2017. The test results are therefore not comparable to those from previous years.
